CZ815	Continued From page 7 Based on observation, record review and interview the facility failed to obtain an eligible level 2 background screening for one out of five staff (Staff E) who provided personal care to residents. Findings as follow: On at 8:45 AM Staff B was observed working in facility with Staff E who was sitting in the Florida room next to Resident #5, holding her . When asked if she worked in facility, Staff E stated " I am family of Resident #5". She was dressed in a caretakers' uniform. Staff E was asked her relationship to Resident #5 and she finally said" I am her niece, but niece in law". Background screening database review showed there was no background screening result for Staff E. On at 9:40 AM The Administrator acknowledged Staff E worked in facility. She stated Staff E was a visitor from Cuba that worked in the facility for the weekend only. The Administrator said she gave Staff E job because she was in need of money for her family in Cuba.
