{A 000}	Initial Comments A revisit to the re-licensure survey was conducted on 10/01/2019. Four Seasons ALF had deficiencies at the time of the visit.	{A 000}		
{A 160} SS=D	58A-5.024(1) FAC Records - Facility The facility must maintain required records in a manner that makes such records readily available at the licensee's physical address for review by a legally authorized entity. If records are maintained in an electronic format, facility staff must be readily available to access the data and produce the requested information. For purposes of this section, "readily available" means the ability to immediately produce documents, records, or other such data, either in electronic or paper format, upon request. (1) FACILITY RECORDS. Facility records must include: (a) The facility's license displayed in a conspicuous and public place within the facility. (b) An up-to-date admission and discharge log listing the names of all residents and each resident's: 1. Date of admission, the facility or place from which the resident was admitted, and if applicable, a notation indicating that the resident was admitted with a _____; and 2. Date of discharge, reason for discharge, and identification of the facility or home address to which the resident was discharged. Readmission of a resident to the facility after discharge requires a new entry in the log. Discharge of a resident is not required if the facility is holding a bed for a resident who is out of the facility but intending to return pursuant to Rule 58A-5.025, F.A.C. If the resident dies while in the care of the facility, the log must indicate the date of _____. (c) A log listing the names of all temporary	{A 160}
