A 000	Initial Comments A re-licensure survey and a limited nursing services monitoring survey were conducted at Vangela's ALF, Corp. on . The provider had deficiencies at the time of the survey.	A 000		
A 078 SS=D	59A-36.010(2) FAC Staffing Standards - Staff (2) STAFF. (a) Within 30 days after beginning employment, newly hired staff must submit a written statement from a health care provider documenting that the individual does not have any signs or symptoms of communicable . The examination performed by the health care provider must have been conducted no earlier than 6 months before submission of the statement. Newly hired staff does not include an employee transferring without a break in service from one facility to another when the facility is under the same management or ownership. 1. Evidence of a negative examination must be documented on an annual basis. Documentation provided by the Florida Department of Health or a licensed health care provider certifying that there is a shortage of testing materials satisfies the annual examination requirement. An individual with a positive test must submit a health care provider's statement that the individual does not constitute a risk of 2. If any staff member has, or is suspected of having, a communicable , such individual must be immediately removed from duties until a written statement is submitted from a health care provider indicating that the individual does not constitute a risk of transmitting a communicable (b) Staff must be qualified to perform their	A 078

A 200	Continued From page 22 local zoning and the Florida Building Code. 3. Each assisted living facility is unique in size; the types of care provided; the physical and mental capabilities and needs of residents; the type, frequency, and amount of services and care offered; and staffing characteristics. Accordingly, this rule does not limit the types of systems or equipment that may be used to achieve temperatures at or below 81 degrees Fahrenheit for a minimum of ninety-six (96) hours in the event of the loss of primary electrical power. The plan shall include information regarding the systems and equipment that will be used by the assisted living facility and the fuel required to operate the systems and equipment. a. An assisted living facility in an evacuation zone pursuant to chapter 252, F. S. must maintain an alternative power source and fuel as required by this subsection at all times when the assisted living facility is occupied but is permitted to utilize a mobile generator(s) to enable portability if evacuation is necessary. b. Assisted living facilities located on a single campus with other facilities under common ownership, may share fuel, alternative power resources, and resident space available on the campus if such resources are sufficient to support the requirements of each facility's residents, as specified in this rule. Details regarding how resources will be shared and any necessary movement of residents must be clearly described in the emergency power plan. c. A multistory facility, whose comprehensive emergency management plan is to move residents to a higher floor during a flood or surge event, must place its alternative power source and all necessary additional equipment so it can safely operate in a location protected from flooding or storm surge damage. (7) COMPREHENSIVE EMERGENCY MANAGEMENT PLAN. (a) Assisted living facilities whose comprehensive emergency management plan is to evacuate must comply with this rule. (b) Each facility whose plan has been approved shall submit the plan as an addendum with any future submissions for approval of its comprehensive emergency management plan. (8) NOTIFICATION. (a) Within five (5) business days, each assisted living facility must notify in writing, unless permission for electronic communication has been granted, each resident and the resident's legal representative: 1. Upon submission of the plan to the local emergency management agency that the plan has been submitted for review and approval; 2. Upon final implementation of the plan by the assisted living facility. (b) Each assisted living facility must maintain a copy of each notification set forth in paragraph (a) above in a manner that makes each notification readily available at the licensee's physical address for review by a legally authorized entity. If the notifications are maintained in an electronic	A 200

A 200	Continued From page 29 format, facility staff must be readily available to access and produce the notifications. For purposes of this section, "readily available" means the ability to immediately produce the notifications, either in electronic or paper format, upon request. This Statute or Rule is not met as evidenced by: Based on observation, record review and interview the facility failed to be in compliance with its emergency power plan. Findings included: On during tour of the facility between 8:00 AM and 8:10 AM observed that there was no monoxide detector. On at 12:19 PM, the Administrator stated, "I did not know I needed that." Record review revealed that there were no policies and procedures for the emergency power plan. On at 12:25 PM, the Administrator stated, "I had them. I can not find them." Class III	A 200

AL240	Continued From page 30 (a) Any facility intending to admit one or more mental health residents must obtain a limited mental health license from the agency before accepting the mental health resident. (b) Facilities applying for a limited mental health license that have uncorrected deficiencies or violations found during the facility's last survey, complaint investigation, or monitoring visit will be surveyed before the issuance of a limited mental health license to determine if such deficiencies or violations have been corrected. This Statute or Rule is not met as evidenced by: Based on record review and interview the facility who serves one or more mental health residents failed to obtain a limited mental health license. Findings included: Review of Resident # 1's record revealed the resident had a diagnosis of [redacted] and received [redacted]. On [redacted] at 11:32 AM, Resident # 1 stated, "I got [redacted] because of the [redacted]." Review of Resident # 3's record revealed the resident had a diagnosis of [redacted] Type and that she received [redacted]. On [redacted] at 11:27 AM, Resident # 3 stated, "I used to work, but when I got sick they [redacted] me." On 12/091 at 9:00 AM, the Administrator stated, "I thought that it was more than 3 LMH residents that I needed the license." Class III	AL240
