A 000	Initial Comments A biennial re-licensure survey was conducted at Living Well Community, LLC on 01/21/2020. Deficiencies were identified at the time of the survey.	A 000		
A 080 SS=D	429.52() FS; 59A-36.011(1) FAC Training - Core & Competency Test 429.52 (1) Effective 01/01/2020, each new assisted living facility employee who has not previously completed core training must attend a preservice orientation provided by the facility before interacting with residents. The preservice orientation must be at least 2 hours in duration and cover topics that help the employee provide responsible care and respond to the needs of facility residents. Upon completion, the employee and the administrator of the facility must sign a statement that the employee completed the required preservice orientation. The facility must keep the signed statement in the employee's personnel record. (2) Administrators and other assisted living facility staff must meet minimum training and education requirements established by the agency by rule. This training and education is intended to assist facilities to appropriately respond to the needs of residents, to maintain resident care and facility standards, and to meet licensure requirements. (3) The agency, in conjunction with providers, shall develop a competency test and a minimum required score to indicate successful completion of the training and educational requirements. The required training and education must cover at least the following topics: (a) State law and rules relating to assisted living facilities. (b) Resident rights and identifying and reporting	A 080
