A 000	Initial Comments A re-licensure survey with an extended congregate care component was conducted at St. Anne's Residence on to . Deficiencies were identified at the time of survey.	A 000		
A 078 SS=D	59A-36.010(2) FAC Staffing Standards - Staff (2) STAFF: (a) Within 30 days after beginning employment, newly hired staff must submit a written statement from a health care provider documenting that the individual does not have any signs or symptoms of communicable . The examination performed by the health care provider must have been conducted no earlier than 6 months before submission of the statement. Newly hired staff does not include an employee transferring without a break in service from one facility to another when the facility is under the same management or ownership. 1. Evidence of a negative . examination must be documented on an annual basis. Documentation provided by the Florida Department of Health or a licensed health care provider certifying that there is a shortage of testing materials satisfies the annual examination requirement. An individual with a positive test must submit a health care provider's statement that the individual does not constitute a risk of transmitting a communicable . 2. If any staff member has, or is suspected of having, a communicable , such individual must be immediately removed from duties until a written statement is submitted from a health care provider indicating that the individual does not constitute a risk of transmitting a communicable	A 078

A 200	Continued From page 14 update within ten (10) business days of implementation. (4) IMPLEMENTATION OF THE PLAN. (a) Each assisted living facility licensed prior to the effective date of this rule shall, no later than , have implemented the plan required under this rule. (b) The Agency shall allow an extension up to to providers in compliance with paragraph (c) below and who can show delays caused by necessary construction, delivery of ordered equipment, zoning or other regulatory approval processes. Assisted living facilities shall notify the Agency that they will utilize the extension and keep the Agency apprised of progress on a quarterly basis to ensure there are no unnecessary delays. If an assisted living facility can show in its quarterly progress reports that unavoidable delays caused by necessary construction, delivery of ordered equipment, zoning or other regulatory approval processes will occur beyond the initial extension date, the assisted living facility may request a waiver pursuant to section 120.542, F.S. (c) During the extension period, an assisted living facility must make arrangements pending full implementation of its plan that provides the residents with an area or areas to congregate that meets the safe indoor air temperature requirements of subsection (1) (a) for a minimum of ninety-six (96) hours. 1. An assisted living facility not located in an evacuation zone must either have an alternative power source onsite or have a contract in place for delivery of an alternative power source and fuel when requested. Within twenty-four (24) hours of the issuance of a state of emergency for an event that may impact primary power delivery for the area of the assisted living facility, it must	A 200

A 200	Continued From page 15 have the alternative power source and no less than ninety-six (96) hours of fuel stored onsite. 2. An assisted living facility located in an evacuation zone pursuant to chapter 252, F.S. must either: a. Fully and safely evacuate its residents prior to the arrival of the event; or b. Have an alternative power source and no less than ninety-six (96) hours of fuel stored onsite, within twenty-four (24) hours of the issuance of a state of emergency for the area of the assisted living facility. (d) Each new assisted living facility shall implement the plan required under this rule prior to obtaining a license. (e) Existing assisted living facilities that undergo any additions, modifications, alterations, refurbishment, renovations or reconstruction that require modification of the systems or equipment affecting the assisted living facility's compliance with this rule shall implement its amended plan concurrent with any such additions, modifications, alterations, refurbishment, renovations or reconstruction. (f) The Agency for Health Care Administration may request cooperation from the State Fire Marshal to conduct inspections to ensure implementation of the plan in compliance with this rule. (5) POLICIES AND PROCEDURES. (a) Each assisted living facility shall develop and implement written policies and procedures to ensure that the assisted living facility can effectively and immediately activate, operate and maintain the alternate power source and any fuel required for the operation of the alternate power source. The procedures shall ensure that residents do not experience complications from fluctuations in air temperatures inside	A 200

A 200	Continued From page 16 the facility. Procedures must address the care of residents occupying the facility during a declared state of emergency, specifically, a description of the methods to be used to mitigate the potential for heat related injury including: 1. The use of cooling devices and equipment; 2. The use of refrigeration and freezers to produce ice and appropriate temperatures for the maintenance of medicines requiring refrigeration; 3. Wellness checks by assisted living facility staff to monitor for signs of _____ and heat injury; and 4. A provision for obtaining medical intervention from emergency services for residents whose life safety is in jeopardy. (b) Each assisted living facility shall maintain the written policies and procedures in a manner that makes them readily available at the licensee's physical address for review by a legally authorized entity. If the policies and procedures are maintained in an electronic format, assisted living facility staff must be readily available to access the policies and procedures and produce the requested information. For purposes of this section, "readily available" means the ability to immediately produce the policies and procedures, either in electronic or paper format, upon request. (c) The written policies and procedures must be readily available for inspection by each resident; each resident's legal representative, designee, surrogate, guardian, attorney in fact, or case manager; each resident's estate; and such additional parties as authorized in writing or by law. (6) REVOCATION OF LICENSE, FINES OR SANCTIONS. For a violation of any part of this rule, the Agency for Health Care Administration may seek any remedy authorized by chapter 429, part I, or chapter 408, part II, F.S., including, but	A 200

A 200	Continued From page 17 not limited to, license revocation, license suspension, and the imposition of administrative fines. (7) COMPREHENSIVE EMERGENCY MANAGEMENT PLAN. (a) Assisted living facilities whose comprehensive emergency management plan is to evacuate must comply with this rule. (b) Each facility whose plan has been approved shall submit the plan as an addendum with any future submissions for approval of its comprehensive emergency management plan. (8) NOTIFICATION. (a) Within five (5) business days, each assisted living facility must notify in writing, unless permission for electronic communication has been granted, each resident and the resident's legal representative: 1. Upon submission of the plan to the local emergency management agency that the plan has been submitted for review and approval; 2. Upon final implementation of the plan by the assisted living facility. (b) Each assisted living facility must maintain a copy of each notification set forth in paragraph (a) above in a manner that makes each notification readily available at the licensee's physical address for review by a legally authorized entity. If the notifications are maintained in an electronic format, facility staff must be readily available to access and produce the notifications. For purposes of this section, "readily available" means the ability to immediately produce the notifications, either in electronic or paper format, upon request. This Statute or Rule is not met as evidenced by: Based on observation and interview, the facility failed to have the acquisition and maintenance of a monoxide alarm inside the facility.	A 200
