A 054 SS=D	59A-36.008(5) FAC Medication - Records (5) MEDICATION RECORDS. (a) For residents who use a pill organizer managed in subsection (2), the facility must keep either the original labeled medication container; or a medication listing with the prescription number, the name and address of the issuing pharmacy, the health care provider's name, the resident's name, the date dispensed, the name and strength of the drug, and the directions for use. (b) The facility must maintain a daily medication observation record for each resident who receives assistance with self-administration of medications or medication administration. A medication observation record must be immediately updated each time the medication is offered or administered and include: 1. The name of the resident and any known the resident may have; 2. The name of the resident's health care provider and the health care provider's telephone number; 3. The name, strength, and directions for use of each medication; and, 4. A chart for recording each time the medication is taken, any missed dosages, refusals to take medication as prescribed, or medication errors. (c) For medications that serve as chemical , the facility must, pursuant to Section 429.41, F.S., maintain a record of the prescribing physician's annual evaluation of the use of the medication. A 054	Continued From page 1 This Statute or Rule is not met as evidenced by: Based on observation, interview and record review, the facility failed to immediately update the Medication Observation Records (MOR) each time the medication was offered when assisting two out of five sampled residents (Residents #4 and #5). Findings Included: On at around 07:45 AM, Staff B stated that she already gave medications Resident #4 and Resident #5. Review of Resident #4's MOR showed that the MOR was not updated for the following morning (AM) medications: Succ 25 mg; Lac 12% lotion. Review of Resident #5's MOR showed that the MOR was not updated for the morning (AM) medication, 5 mg. On at 09:30 AM, Administrator confirmed that Resident #4 and Resident #5 took their morning medications before leaving the facility. Administrator stated, "Resident #5 and Resident #4 already took their medications before they left the house this morning." On at 03:00 PM, Administrator acknowledged the deficiency by stating, "I understand. I will make sure that doesn't happen again." Class III	A 054
