{CZ841}	408.823() FS In-person Visitation (1) This section applies to _____ centers as defined in s. 393.063, hospitals licensed under chapter 395, nursing home facilities licensed under part II of chapter 400, hospice facilities licensed under part _____ of chapter 400, intermediate care facilities for the _____ licensed and certified under part VIII of chapter 400, and assisted living facilities licensed under part I of chapter 429. (2)(a) No later than 30 days after the effective date of this act, each provider shall establish visitation policies and procedures. The policies and procedures must, at a minimum, include _____ control and education policies for visitors; screening, personal protective equipment, and other _____ control protocols for visitors; permissible length of visits and numbers of visitors, which must meet or exceed the standards in ss. 400.022(1)(b) and 429.28(1)(d), as applicable; and designation of a person responsible for ensuring that staff adhere to the policies and procedures. Safety-related policies and procedures may not be more stringent than those established for the provider's staff and may not require visitors to submit proof of any _____ or immunization. The policies and procedures must allow consensual physical contact between a resident, client, or patient and the visitor. (b) A resident, client, or patient may designate a visitor who is a family member, friend, guardian, or other individual as an essential caregiver. The provider must allow in-person visitation by the essential caregiver for at least 2 hours daily in addition to any other visitation authorized by the provider. This section does not require an essential caregiver to provide necessary care to a resident, client, or patient of a provider, and	{CZ841}

{CZ841}	Continued From page 2 providers must make such policies and procedures easily accessible from the homepage of their websites. This Statute or Rule is not met as evidenced by: Based on observation, interview, and record review, the facility failed to ensure visitation policies and procedures that contained all required elements were easily accessible from the facility's website. The findings include: Review of facility records showed documentation explaining the facility posted its visitation policies to its website following the last survey. On at 11:13am, the facility's website (www.arborcompany/location/florida/amelia-island.com) was observed. The facility's visitation policy could not be located on either the main page or through links. The "About" tab contained COVID-19 information, but a visitation policy that conformed to the required elements was not included. Photographic evidence obtained. On at 12:35pm, the facility's website was reviewed with the Resident Care Director (RCD). Under the "About" section, a Visitor Safety Policy was now observed. The RCD was asked if this information had been added during the survey. She stated she was not sure. She was shown the photo of the website taken during the first observation at 11:13am on . She confirmed it was the correct website on the photo. The new information available was reviewed with the RCD and the regulatory requirements for visitation were still not met. She explained the website was controlled by the corporate office and proposed they needed to	{CZ841}
