A 052	Continued From page 14 morning of ... at an unknown time, Staff B signed for 9 medications in which he did not assist in administration. A record review of Resident #6's MOR indicated that, on the morning of at an unknown time, Staff B signed for 6 medications in which he did not assist with administration. Class III	A 052		
A 081 SS=D	429.52(1 & 7) FS; 59A-36.011() FAC Training - Staff In-Service 429.52(1) (1) Each new assisted living facility employee who has not previously completed core training must attend a preservice orientation provided by the facility before interacting with residents. The preservice orientation must be at least 2 hours in duration and cover topics that help the employee provide responsible care and respond to the needs of facility residents. Upon completion, the employee and the administrator of the facility must sign a statement that the employee completed the required preservice orientation. The facility must keep the signed statement in the employee's personnel record. (7) Facility staff shall participate in inservice training relevant to their job duties as specified by agency rule. Topics covered during the preservice orientation are not required to be repeated during inservice training. A single certificate of completion that covers all required inservice training topics may be issued to a participating staff member if the training is provided in a single training course.	A 081

A 093	Continued From page 21 (c) All regular and therapeutic menus to be used by the facility must be reviewed annually by a licensed or registered dietitian, a licensed nutritionist, or a registered dietetic technician supervised by a licensed or registered dietitian, or a licensed nutritionist to ensure the meals meet the nutritional standards established in this rule. The annual review must be documented in the facility files and include the original signature of the reviewer, registration or license number, and date reviewed. Portion sizes must be indicated on the menus or on a separate sheet. 1. Daily food servings may be divided among three or more meals per day, including snacks, as necessary to accommodate resident needs and preferences. 2. Menu items may be substituted with items of comparable nutritional value based on the seasonal availability of fresh produce or the preferences of the residents. (d) Menus must be dated and planned at least 1 week in advance for both regular and therapeutic diets. Residents must be encouraged to participate in menu planning. Planned menus must be conspicuously posted or easily available to residents. Regular and therapeutic menus as served, with substitutions noted before or when the meal is served, must be kept on file in the facility for 6 months. (e) Therapeutic diets must be prepared and served as ordered by the health care provider. 1. Facilities that offer residents a variety of food choices through a select menu, buffet style dining, or family style dining are not required to document what is eaten unless a health care provider's order indicates that such monitoring is necessary. However, the food items that enable residents to comply with the therapeutic diet must be identified on the menus developed for use in	A 093

A 093	Continued From page 23 The findings include: On _____, during the observation of lunch at 12:30 PM, the surveyor requested the facility's current menu. The administrator removed the menu from the bulletin board at the hallway entrance to the dining room and presented this as the menu the facility was using. Upon review, the menu presented had an expiration date of _____. On _____ at approximately 12:48 PM, a telephone interview was performed with the registered dietitian listed on the menu. She reported that she normally updates menus yearly. When presented with the name of facility and the name of the administrator, the RD stated that she could not find any information for this facility in her database. The RD reported that she does not do menus for this facility. The RD stated that any menu she approves has the facility's name listed on the right side of the menu. The RD stated that, for her protection, any menu she reviews has the name of the facility and her credentials in red on the right side of the menu. If these are not present, the RD stated that she did not review this menu. The menu presented by the Administrator did not have the facility's name or the RD's credentials in red. On _____ at approximately 1:09 PM, the Administrator was asked about this discrepancy. She reported that she was sharing menus with another facility. She stated that this facility and the other facility each pay half of the RD's fees and the other facility would give her a copy. The Administrator was not able to produce any other menus to include regular and therapeutic meals reviewed annually by a licensed dietitian for this facility.	A 093

This training must be provided by or approved by the Department of Children and Families. 59A-36.011 (9) LIMITED MENTAL HEALTH TRAINING. (a) Pursuant to section 429.075, F.S., the administrator, managers and staff, who have direct contact with mental health residents in a licensed limited mental health facility, must receive the following training: 1. A minimum of 6 hours of specialized training in working with individuals with mental health diagnoses. a. The training must be provided or approved by the Department of Children and Families and must be taken within 6 months of the facility's receiving a limited mental health license or within 6 months of employment in a limited mental health facility. b. Training received under this subparagraph may count once for 6 of the 12 hours of continuing education required for administrators and managers pursuant to section 429.52(5), F.S., and subsection (1) of this rule. 2. A minimum of 3 hours of continuing education, which may be provided by the ALF administrator, online, or through distance learning, biennially thereafter in subjects dealing with one or more of the following topics: a. Mental health diagnoses; and,	AL243
