A 162	Continued From page 3 59A-36.021 and 59A-36.022, F.A.C., respectively. This Statute or Rule is not met as evidenced by: Based on record review and staff interview, the facility failed to maintain resident records, to include demographic information, a contract, and medication information, for 1 of 5 sampled residents. (Resident #5) The findings include: During a review of the admission/discharge log, it was revealed that Resident #5 was admitted to facility on and discharged from the facility on . An interview was conducted with the Administrator on at 1:39 PM. The Administrator stated she did not have any records for this resident and she transferred his medication list to the receiving facility. The Administrator stated that the resident had no records when he came and he self-administered his own medications. She stated she had a contract for Resident #5, but she could not get to it because it was in the attic and was not easily accessible. Class III	A 162
