A 000	Initial Comments An unannounced re-licensure survey with Emergency Power Plan and Extended Congregate Care monitoring was conducted at Brentwood at Fore Ranch on August 6, 2025 through August 7, 2025. Deficiencies were identified at the time of the survey.	A 000			
A 078	59A-36.010(2) FAC Staffing Standards - Staff (2) STAFF. (a) Within 30 days after beginning employment, newly hired staff must submit a written statement from a health care provider documenting that the individual does not have any signs or symptoms of communicable disease. The examination performed by the health care provider must have been conducted no earlier than 6 months before submission of the statement. Newly hired staff does not include an employee transferring without a break in service from one facility to another when the facility is under the same management or ownership. 1. Evidence of a negative tuberculosis examination must be documented on an annual basis. Documentation provided by the Florida Department of Health or a licensed health care provider certifying that there is a shortage of tuberculosis testing materials satisfies the annual tuberculosis examination requirement. An individual with a positive tuberculosis test must submit a health care provider's statement that the individual does not constitute a risk of communicating tuberculosis. 2. If any staff member has, or is suspected of having, a communicable disease, such individual must be immediately removed from duties until a written statement is submitted from a health care provider indicating that the individual does not constitute a risk of transmitting a communicable	A 078

A 078	Continued From page 1 disease. (b) Staff must be qualified to perform their assigned duties consistent with their level of education, training, preparation, and experience. Staff providing services requiring licensing or certification must be appropriately licensed or certified. All staff must exercise their responsibilities, consistent with their qualifications, to observe residents, to document observations on the appropriate resident's record, and to report the observations to the resident's health care provider in accordance with this rule chapter. (c) All staff must comply with the training requirements of rule 59A-36.011, F.A.C. (d) An assisted living facility contracting to provide services to residents must ensure that individuals providing services are qualified to perform their assigned duties in accordance with this rule chapter. The contract between the facility and the staffing agency or contractor must specifically describe the services the staffing agency or contractor will provide to residents. (e) For facilities with a licensed capacity of 17 or more residents, the facility must: 1. Develop a written job description for each staff position and provide a copy of the job description to each staff member; and, 2. Maintain time sheets for all staff. (f) Level 2 background screening must be conducted for staff, including staff contracted by the facility to provide services to residents, pursuant to sections 408.809 and 429.174, F.S. This Statute or Rule is not met as evidenced by: Based on record reviews and interview, the facility failed to document evidence of an annual negative tuberculosis (TB) examination for 1 of 3 staff sampled (Staff A), and failed to ensure staff sampled submitted a written statement from a	A 078

A 078	Continued From page 2 health care provider documenting that the individual does not have any signs or symptoms of communicable disease within 30 days after beginning employment for 1 of 3 staff sampled (Staff C.) Findings include: Review of employee records revealed Staff A, Medication Technician, with a hire date 06/09/2021. Staff A's record did not have documentation evidence of an annual tuberculosis examination. Review of employee records revealed Staff C, Medication Technician, with a hire date 12/04/2024. Staff C's record had no written statement from a health care provider documenting that the individual does not have any signs or symptoms of communicable disease. During an interview conducted on 08/07/2025 at 10:48 AM, the Director of Business Administration stated, "[Staff A's name]'s TB test is expired. [Staff C's name]'s communicable disease statement form is incomplete, but I know she needs to get it." Class III	A 078
