A 000	Initial Comments An unannounced Change of Ownership (CHOW) and Generator Monitoring survey was conducted on at Celebration Villa of Jensen Beach. Deficiencies related to the relicensure were identified at the time of the survey.	A 000		
A 032	59A-36.007(7) FAC Resident Care - Elopement Standards 59A-36.007 (7) ELOPEMENT STANDARDS. (a) Residents Assessed at Risk for Elopement. All residents assessed at risk for elopement or with any history of elopement must be identified so staff can be alerted to their needs for support and supervision. All residents must be assessed for risk of elopement by a health care provider or a mental health care provider within 30 calendar days of being admitted to a facility. If the resident has had a health assessment performed prior to admission pursuant to paragraph 59A-36.006(2)(a), F.A.C., this requirement is satisfied. A resident placed in a facility on a temporary emergency basis by the Department of Children and Families pursuant to Section 415.105 or 415.1051, F.S., is exempt from this requirement for up to 30 days. 1. As part of its resident elopement response policies and procedures, the facility must make, at a minimum, a daily effort to determine that at risk residents have identification on their persons that includes their name and the facility's name, address, and telephone number. Staff trained pursuant to paragraph 59A-36.011(10)(a) or (c), F.A.C., must be generally aware of the location of all residents assessed at high risk for elopement at all times. 2. The facility must have a photo identification of	A 032

A 032	Continued From page 1 at risk residents on file that is accessible to all facility staff and law enforcement as necessary. The facility's file must contain the resident's photo identification upon admission or upon being assessed at risk for elopement subsequent to admission. The photo identification may be provided by the facility, the resident, or the resident's representative. (b) Facility Resident Elopement Response Policies and Procedures. The facility must develop detailed written policies and procedures for responding to a resident elopement. At a minimum, the policies and procedures must provide for: 1. An immediate search of the facility and premises, 2. The identification of staff responsible for implementing each part of the elopement response policies and procedures, including specific duties and responsibilities, 3. The identification of staff responsible for contacting law enforcement, the resident's family, guardian, health care surrogate, and case manager if the resident is not located pursuant to subparagraph (8)(b)1.; and, 4. The continued care of all residents within the facility in the event of an elopement. (c) Facility Resident Elopement Drills. The facility must conduct and document resident elopement drills pursuant to Section 429.41(1)(k), F.S. This Statute or Rule is not met as evidenced by: Based on record review and interview the facility failed to ensure that 4 out of 4 sampled staff (Administrator, Staff F, Staff I, and Staff J) participated in at least two elopement drills per year. The findings included:	A 032

A 032	Continued From page 2 During an interview with the Administrator on at 9:00AM a request was made for the facility's elopement drills. Documentation was provided. A review of the facility's elopement drill documentation revealed elopement drills on file for 2024, 2025 and 2026. Further review of the documentation revealed that the Administrator, Staff F (Caregiver), Staff I (Caregiver), and Staff J (Caregiver) had not participated in 2 or more elopement drills in 2025 nor did they have any drills documented in 2026. During an interview with the Adminstrator on at 5:05PM, she confirmed the dates of hire for Staff F, Staff I, and Staff J as the following: Staff F- Staff I- Staff J- At this time, she was notfied that neither she nor Staff F, Staff I, and Staff J had participated in more than two elopement drills for the year of 2025. Additionally, there was no documentation of participation in 2026 either. No additional documentation was provided. Class III	A 032

A 056	Continued From page 3 self-administration, or administration unless they are properly labeled and dispensed in accordance with Chapters 465 and 499, F.S., and Rule 64B16-28.108, F.A.C. If a customized patient medication package is prepared for a resident, and separated into individual medicinal drug containers, then the following information must be recorded on each individual container: 1. The resident's name; and, 2. The identification of each medicinal drug in the container. (b) Except with respect to the use of pill organizers as described in subsection (2), no individual other than a pharmacist may transfer medications from one storage container to another. (c) If the directions for use are "as needed" or "as directed," the health care provider must be contacted and requested to provide revised instructions. For an "as needed" prescription, the circumstances under which it would be appropriate for the resident to request the medication and any limitations must be specified; for example, "as needed for , , not to exceed 4 tablets per day." The revised instructions, including the date they were obtained from the health care provider and the signature of the staff who obtained them, must be noted in the medication record, or a revised label must be obtained from the pharmacist. (d) Any change in directions for use of a medication that the facility is administering or providing assistance with self-administration must be accompanied by a written, faxes, or electronic copy of a medication order issued and signed by the resident's health care provider. The new directions must promptly be recorded in the resident's medication observation record. The facility may then obtain a revised label from the	A 056
