ZZ875	Continued From page 2 and stress management. 3. Thereafter, each employee who provides personal care must participate in at least 4 hours of continuing education each calendar year through contact hours, on-the-job training, or electronic learning . For this subparagraph, the term "on-the-job training" means a form of direct coaching in which a facility administrator or his or her designee instructs an employee who provides personal care with guidance, support, or -on experience to help develop and refine the employee's skills for caring for a person with 's or a related form of . The continuing education must cover at least one of the topics included in the -specific training in which the employee has not received previous training in the previous calendar year. The continuing education may be fulfilled and documented in a minimum of one quarter-hour increments through on-the-job training of the employee by a facility administrator or his or her designee or by an electronic learning chosen by the facility administrator. On-the-job training may not account for more than 2 hours of continuing education each calendar year. (f)1. An employee provided, assigned, or referred by a health care services pool must complete the training required in paragraph (c), paragraph (d), or paragraph (e) that is applicable to the covered provider and the position in which the employee will be working. The documentation verifying the completed training and continuing education of the employee, if applicable, must be provided to the covered provider upon request. 2. A health care services pool must verify and maintain documentation as required under s. 400.980(5) before providing, assigning, or referring an employee to a covered provider.	ZZ875

A 032 SS=D	59A-36.007(7) FAC Resident Care - Elopement Standards 59A-36.007 (7) ELOPEMENT STANDARDS. (a) Residents Assessed at Risk for Elopement. All residents assessed at risk for elopement or with any history of elopement must be identified so staff can be alerted to their needs for support and supervision. All residents must be assessed for risk of elopement by a health care provider or a mental health care provider within 30 calendar days of being admitted to a facility. If the resident has had a health assessment performed prior to admission pursuant to paragraph 59A-36.006(2)(a), F.A.C., this requirement is satisfied. A resident placed in a facility on a temporary emergency basis by the Department of Children and Families pursuant to Section 415.105 or 415.1051, F.S., is exempt from this requirement for up to 30 days. A 032	Continued From page 5 1. As part of its resident elopement response policies and procedures, the facility must make, at a minimum, a daily effort to determine that at risk residents have identification on their persons that includes their name and the facility's name, address, and telephone number. Staff trained pursuant to paragraph 59A-36.011(10)(a) or (c), F.A.C., must be generally aware of the location of all residents assessed at high risk for elopement at all times. 2. The facility must have a photo identification of at risk residents on file that is accessible to all facility staff and law enforcement as necessary. The facility's file must contain the resident's photo identification upon admission or upon being assessed at risk for elopement subsequent to admission. The photo identification may be provided by the facility, the resident, or the resident's representative. (b) Facility Resident Elopement Response Policies and Procedures. The facility must develop detailed written policies and procedures for responding to a resident elopement. At a minimum, the policies and procedures must provide for: 1. An immediate search of the facility and premises, 2. The identification of staff responsible for implementing each part of the elopement response policies and procedures, including specific duties and responsibilities, 3. The identification of staff responsible for contacting law enforcement, the resident's family, guardian, health care surrogate, and case manager if the resident is not located pursuant to subparagraph (8)(b)1.; and, 4. The continued care of all residents within the facility in the event of an elopement. (c) Facility Resident Elopement Drills. The facility	A 032
