ZZ816	408.809(2) 435.05(2) 59A-35.090(2d-3b) Background Screening-Compliance Attestation 408.809 Background screening; prohibited offenses.- (2) Every 5 years following his or her licensure, employment, or entry into a contract in a capacity that under subsection (1) would require level 2 background screening under chapter 435, each such person must submit to level 2 background rescreening as a condition of retaining such license or continuing in such employment or contractual status. For any such rescreening, the agency shall request the Department of Law Enforcement to forward the person's fingerprints to the Federal Bureau of Investigation for a national criminal history record check unless the person's fingerprints are enrolled in the Federal Bureau of Investigation's national retained print arrest notification program. If the fingerprints of such a person are not retained by the Department of Law Enforcement under s. 943.05(2)(g) and (h), the person must submit fingerprints electronically to the Department of Law Enforcement for state processing, and the Department of Law Enforcement shall forward the fingerprints to the Federal Bureau of Investigation for a national criminal history record check. The fingerprints shall be retained by the Department of Law Enforcement under s. 943.05(2)(g) and (h) and enrolled in the national retained print arrest notification program when the Department of Law Enforcement begins participation in the program. The cost of the state and national criminal history records checks required by level 2 screening may be borne by the licensee or the person fingerprinted. The agency may accept as satisfying the requirements of this section proof of compliance with level 2 screening standards submitted within the previous 5 years to meet any provider or	ZZ816

Documentation provided by the Florida Department of Health or a licensed health care provider certifying that there is a shortage of tuberculosis testing materials satisfies the annual tuberculosis examination requirement. An individual with a positive tuberculosis test must submit a health care provider's statement that the individual does not constitute a risk of communicating tuberculosis. 2. If any staff member has, or is suspected of having, a communicable disease, such individual must be immediately removed from duties until a written statement is submitted from a health care provider indicating that the individual does not constitute a risk of transmitting a communicable disease. (b) Staff must be qualified to perform their assigned duties consistent with their level of education, training, preparation, and experience. Staff providing services requiring licensing or certification must be appropriately licensed or certified. All staff must exercise their responsibilities, consistent with their qualifications, to observe residents, to document observations on the appropriate resident's record, and to report the observations to the resident's health care provider in accordance with this rule chapter. (c) All staff must comply with the training requirements of rule 59A-36.011, F.A.C. (d) An assisted living facility contracting to provide services to residents must ensure that individuals providing services are qualified to perform their assigned duties in accordance with this rule chapter. The contract between the facility and the staffing agency or contractor must specifically describe the services the staffing agency or contractor will provide to residents.	A 078
