A 000	Initial Comments A re-licensure with limited mental health and generator monitoring was conducted at Villa Nora #2 on . Deficiencies were identified at the time of the survey.	A 000		
A 026 SS=D	59A-36.007(2) FAC Resident Care - Social & Leisure Activities (2) SOCIAL AND LEISURE ACTIVITIES. Residents shall be encouraged to participate in social, recreational, educational and other activities within the facility and the community. (a) The facility must provide an ongoing activities program. The program must provide diversified individual and group activities in keeping with each resident's needs, abilities, and interests. (b) The facility must consult with the residents in selecting, planning, and scheduling activities. The facility must demonstrate residents' participation through one or more of the following methods: resident meetings, committees, a resident council, a monitored suggestion box, group discussions, questionnaires, or any other form of communication appropriate to the size of the facility. (c) Scheduled activities must be available at least 6 days a week for a total of not less than 12 hours per week. Watching television is not an activity for the purpose of meeting the 12 hours per week of scheduled activities unless the television program is a special one-time event of special interest to residents of the facility. A facility whose residents choose to attend day programs conducted at adult day care centers, senior centers, mental health centers, or other day programs may count those attendance hours towards the required 12 hours per week of scheduled activities. An activities calendar must be posted in common areas where residents	A 026

A 026	Continued From page 1 normally congregate. (d) If residents assist in planning a special activity such as an outing, seasonal festivity, or an excursion, up to 3 hours may be counted toward the required activity time. This Statute or Rule is not met as evidenced by: Based on observation, interview and record review the facility failed to ensure six out of six (Residents #1, 2, 3, 4, 5, and 6) sampled residents were encouraging the residents to participate in social, recreational, educational and other activities within the facility and the community. Findings included: On at 8:50 AM the facility was observed with three staff members in the facility providing activities for six residents. On at 12:12 PM When asked what activities were schedule for residents today? Staff B stated, "We play, we sing, dance, coloring, dominoes, Parcheesi." On at 12:49 PM the Administrator stated, "We always do them, but because you (state representative) were here, we did not do them. A review of the staff schedule posted on the wall showed that residents would have "Stretching" from 9 AM to 11 AM. Two residents were observed seated in the living room in recliners watching television and one seated in the common area quietly. The three hospice residents were observed in their beds staring at the wall and looking around in a silent room. There were no activities done with the residents	A 026
