A 030	Continued From page 2 429.28 Resident bill of rights.- (1) No resident of a facility shall be deprived of any civil or legal rights, benefits, or privileges guaranteed by law, the Constitution of the State of Florida, or the Constitution of the United States as a resident of a facility. Every resident of a facility shall have the right to: (a) Live in a safe and decent living environment, free from and neglect. (b) Be treated with consideration and respect and with due recognition of personal dignity, individuality, and the need for privacy. (c) Retain and use his or her own clothes and other personal property in his or her immediate living quarters, so as to maintain individuality and personal dignity, except when the facility can demonstrate that such would be unsafe, impractical, or an infringement upon the rights of other residents. (d) Unrestricted private communication, including receiving and sending unopened correspondence, access to a telephone, and visiting with any person of his or her choice, at any time between the hours of 9 a.m. and 9 p.m. at a minimum. Upon request, the facility shall make provisions to extend visiting hours for caregivers and out-of-town guests, and in other similar situations. (e) Freedom to participate in and benefit from community services and activities and to pursue the highest possible level of independence, autonomy, and interaction within the community. (f) Manage his or her financial affairs unless the resident or, if applicable, the resident's representative, designee, surrogate, guardian, or attorney in fact authorizes the administrator of the facility to provide safekeeping for funds as provided in s. 429.27. required core training, including the competency test, within 90 days after the date of employment as an administrator. Failure to do so is a violation of this part and subjects the violator to an administrative fine as prescribed in s. 429.19. Administrators licensed in accordance with part II of chapter 468 are exempt from this requirement. Other licensed professionals may be exempted, as determined by the agency by rule.
(5) Administrators are required to participate in continuing education for a minimum of 12 contact hours every 2 years.

59A-36.010
(1) ADMINISTRATORS. Every facility must be under the supervision of an administrator who is responsible for the operation and maintenance of the facility including the management of all staff and the provision of appropriate care to all residents as required by chapters 408, part II, 429, part I, F.S., and rule chapter 59A-35, F.A.C., and this rule chapter.
(a) An administrator must:
1. Be at least ;
2. If employed on or after , have, at a minimum, a high school diploma or G.E.D.;
3. Be in compliance with Level 2 background screening requirements pursuant to sections 408.809 and 429.174, F.S.;
4. Complete the core training and core competency test requirements pursuant to rule 59A-36.011, F.A.C., no later than 90 days after becoming employed as a facility administrator. Administrators who attended core training prior to , are not required to take the competency test unless specified elsewhere in this rule; and,
5. Satisfy the continuing education requirements

A 093	Continued From page 18 review at: https://ods.od.nih.gov/HealthInformation/Dietary_Reference_Intakes.aspx. Therapeutic diets must meet these nutritional standards to the extent possible. (b) The residents' nutritional needs must be met by offering a variety of meals adapted to the food habits, preferences, and physical abilities of the residents, and must be prepared through the use of standardized recipes. For facilities with a licensed capacity of 16 or fewer residents, standardized recipes are not required. Unless a resident chooses to eat less, the facility must serve the standard minimum portions of food according to the Dietary Reference Intakes. (c) All regular and therapeutic menus to be used by the facility must be reviewed annually by a licensed or registered dietitian, a licensed nutritionist, or a registered dietetic technician supervised by a licensed or registered dietitian, or a licensed nutritionist to ensure the meals meet the nutritional standards established in this rule. The annual review must be documented in the facility files and include the original signature of the reviewer, registration or license number, and date reviewed. Portion sizes must be indicated on the menus or on a separate sheet. 1. Daily food servings may be divided among three or more meals per day, including snacks, as necessary to accommodate resident needs and preferences. 2. Menu items may be substituted with items of comparable nutritional value based on the seasonal availability of fresh produce or the preferences of the residents. (d) Menus must be dated and planned at least 1 week in advance for both regular and therapeutic diets. Residents must be encouraged to participate in menu planning. Planned menus	A 093
