{A 162}	Continued From page 3 This Statute or Rule is not met as evidenced by: Based on interview and record review, the facility failed to obtain an updated health assessment that reflected a change in condition following a hospitalization for one out of 11 sampled resident (Resident #5). Findings include: During an interview on at 8:45 AM with Staff B (Caregiver), she stated that Resident #5 had just returned from the hospital a few days ago and he had a Home Health Aide (HHA) who took care of him at night. During an interview on at 9:09 AM with the Administrator, she was asked what the follow-up directions were for Resident #5 when he returned from the hospital. She stated that the resident's healthcare program informed her that Resident #5 would need to follow-up with a psychiatrist. When informed that resident's health assessment was not updated to reflect his documented change in condition, she stated that she would call his healthcare program. She further stated that the resident's problem was not physical, it was , , . A review of Resident #5's physicians orders revealed that he had an order from his healthcare program dated that read "HHA from 7PM-7AM due to recent hospitalization behavioral changes. X1 1 week until ". A review of Resident #5's record revealed that his last health assessment was dated ; there was not an updated health assessment dated after his return from the hospital.	{A 162}
