A 030	Continued From page 2 429.28 Resident bill of rights.- (1) No resident of a facility shall be deprived of any civil or legal rights, benefits, or privileges guaranteed by law, the Constitution of the State of Florida, or the Constitution of the United States as a resident of a facility. Every resident of a facility shall have the right to: (a) Live in a safe and decent living environment, free from and neglect. (b) Be treated with consideration and respect and with due recognition of personal dignity, individuality, and the need for privacy. (c) Retain and use his or her own clothes and other personal property in his or her immediate living quarters, so as to maintain individuality and personal dignity, except when the facility can demonstrate that such would be unsafe, impractical, or an infringement upon the rights of other residents. (d) Unrestricted private communication, including receiving and sending unopened correspondence, access to a telephone, and visiting with any person of his or her choice, at any time between the hours of 9 a.m. and 9 p.m. at a minimum. Upon request, the facility shall make provisions to extend visiting hours for caregivers and out-of-town guests, and in other similar situations. (e) Freedom to participate in and benefit from community services and activities and to pursue the highest possible level of independence, autonomy, and interaction within the community. (f) Manage his or her financial affairs unless the resident or, if applicable, the resident's representative, designee, surrogate, guardian, or attorney in fact authorizes the administrator of the facility to provide safekeeping for funds as provided in s. 429.27. (c) Unlicensed persons, as defined in section 429.256(1)(b), F.S., who provide assistance with self-administered medications and have successfully completed the initial 6 hour training, must obtain, annually, a minimum of 2 hours of continuing education training on providing assistance with self-administered medications and safe medication practices in an assisted living facility. The 2 hours of continuing education training may be provided online. (d) Trained unlicensed staff who, prior to the effective date of this rule, assist with the self-administration of medication and have successfully completed 4 hours of assistance with self-administration of medication training must complete an additional 2 hours of training that focuses on the topics listed in sub-subparagraphs (6)(b)2.h.-n. of this section, before assisting with the self-administration of medication procedures listed in sub-subparagraphs (6)(b)2.h.-n. 429.52 (6) Staff assisting with the self-administration of medications under s. 429.256 must complete a minimum of 6 additional hours of training provided by a registered nurse or a licensed pharmacist before providing assistance. Two hours of continuing education are required annually thereafter. The agency shall establish by rule the minimum requirements of this training This Statute or Rule is not met as evidenced by: Based on record review and interview, the facility failed to ensure one (Administrator) out of two sampled staff maintained two hours of continuing education annually in assisting with self-administration of medication training. A	Continued From page 19 #6 was only served hot cereal that was not completely pureed. Photographic evidence obtained. A review of Resident #6's health assessment dated showed the resident under hospice care and a puree diet with thin liquids. Interviewed on at 10:26 AM during the exit conference, when informed that the menu must be followed, the Administrator stated it was difficult especially for Resident #3. The Administrator stated that Resident #3 will not eat poached puree eggs. When asked if there was a blender, the Administrator stated that she had a blender and that she pureed the cereal before warming it up. The administrator stated that she (Administrator) placed eggs in the hot cereal. The administrator stated, "Okay. I got it." When asked if the residents refused the regular menu or the puree menu and if it was documented in their records, the Administrator did not provide any comments. A review of data from The University of Mississippi Medical Center showed: "A , , ᴗ diet is used for people who have difficulty swallowing. Foods on this diet are easier to chew and move around in your This will reduce the risk of food and liquids going the wrong way. Foods on a , , ᴗ pureed diet are a pudding like texture that is smooth, blended, or pureed. Eating foods not allowed on this diet will increase your chance of swallowing problems and can result in food going into your airway instead of your , ᴗ (food tube). Food or liquid that goes into your airway instead of your puts you at risk for not getting enough nutrition and/or getting sick (,).	A 093
