| A 010 SS=D | 429.26( ) FS; 59A-36.006(4) FAC Admissions - Continued Residency<br><br>429.26 Appropriateness of placements; examinations of residents.-<br>(1) The owner or administrator of a facility is responsible for determining the appropriateness of admission of an individual to the facility and for determining the continued appropriateness of residence of an individual in the facility. A determination must be based upon an evaluation of the strengths, needs, and preferences of the resident, a medical examination, the care and services offered or arranged for by the facility in accordance with facility policy, and any limitations in law or rule related to admission criteria or continued residency for the type of license held by the facility under this part. The following criteria apply to the determination of appropriateness for admission and continued residency of an individual in a facility:<br>(a) A facility may admit or retain a resident who receives a health care service or treatment that is designed to be provided within a private residential setting if all requirements for providing that service or treatment are met by the facility or a third party.<br>(b) A facility may admit or retain a resident who requires the use of assistive devices.<br>(c) A facility may admit or retain an individual receiving hospice services if the arrangement is agreed to by the facility and the resident, additional care is provided by a licensed hospice, and the resident is under the care of a physician who agrees that the physical needs of the | A 010 | | |

Except as follows in paragraphs (a) through (c) of this subsection, criteria for continued residency in any licensed facility must be the same as the criteria for admission. As part of the continued residency criteria, a resident must have a -to-medical examination by a health care practitioner at least every 3 years after the initial assessment, or after a significant change, whichever comes first. A significant change is defined in Rule 59A-36.002, F.A.C. The results of the examination must be recorded on the practitioner's form or on AHCA Form 1823, which is incorporated by reference in paragraph (2)(b) of this rule and must be completed in accordance with that paragraph. Exceptions to the requirement to meet the criteria for continued residency are:<br>(a) The resident may be bedridden for no more than 7 consecutive days, unless the resident is receiving licensed hospice services pursuant to Section 429.26(1)(c), F.S.<br>(b) A resident requiring care of a may be retained provided that:<br>1. The resident contracts directly with a licensed home health agency or a nurse to provide care, or the facility has a limited nursing services license and services are provided pursuant to a plan of care issued by a health care practitioner,<br>2. The condition is documented in the resident's record; and,<br>3. If the resident's condition fails to improve within 30 days, as documented by a health care | A 010 | | |

Based on observation, interview, and record review, the facility failed to discharge a resident who no longer met continued residency criteria for one out of six (Resident #5) sampled residents.

Findings included:

On at 9:00 AM through 1: 25 PM, it showed that Resident #2 was lying in bed.

On at 12:35 PM, the resident was observed eating lunch in bed.

A review of Resident #2's record revealed that she was admitted to the facility on . The health assessment dated showed the resident was diagnosed with type 2 , , , and 's. The physician indicated the resident needed assistance with all the activities of daily living.

A review of Resident #2's progress notes dated revealed that the resident stayed in bed all the time.

On at 1:02 PM, Staff B stated that Resident #2 stays in bed all day. Her health condition declined. She received assistance to go to the bathroom. She had an upcoming with the on .
