AL243	Continued From page 29 received a minimum of six hours of specialized training in working with individuals with mental health diagnoses for one out of four (Staff D) sampled staff. Findings included: A review of the facility's license revealed a limited mental health specialty component. A review of Staff D's personal record showed documentation of an initial eight-hour training dated , received from a trainer who retired more than a year ago. On at 9:30 AM, the Administrator was unable to explain how the staff obtained the eight-hour limited mental health training certificate. On an email was received from a state agency supervisor stating, "This is not even a new certificate, as we do not print our logos in "red ink" and the managing entity name is not correct. We have a new managing entity for some time now. We also did not have a training held in our building on this date." Class III	AL243
