A 000	Initial Comments A re-licensure survey was conducted at Rita Maria Two ALF Inc on and . Deficiencies were identified at the time of the survey.	A 000		
A 052 SS=E	429.256( ); 59A-36.008(3) Medication - Assistance with Self-Admin 429.256 (3) Assistance with self-administration of medication includes: (a) Taking the medication, in its previously dispensed, properly labeled container, from where it is stored, and bringing it to the resident. For purposes of this paragraph, an syringe that is prefilled with the proper dosage by a pharmacist and an , that is prefilled by the manufacturer are considered medications in previously dispensed, properly labeled containers. (b) In the presence of the resident, confirming that the medication is intended for that resident, orally advising the resident of the medication name and dosage, opening the container, removing a prescribed amount of medication from the container, and closing the container. The resident may sign a written waiver to opt out of being orally advised of the medication name and dosage. The waiver must identify all of the medications intended for the resident, including names and dosages of such medications, and must immediately be updated each time the resident's medications or dosages change. (c) Placing an oral dosage in the resident's or placing the dosage in another container and helping the resident by lifting the container to his or her . (d) Applying , medications. (e) Returning the medication container to proper storage.	A 052

A 052	Continued From page 2 (5) Assistance with the self-administration of medication by an unlicensed person as described in this section shall not be considered administration as defined in s. 465.003. 59A-36.008 (3) ASSISTANCE WITH SELF-ADMINISTRATION. (a) Any unlicensed person providing assistance with self-administration of medication must be , or older, trained to assist with self administered medication pursuant to the training requirements of Rule 59A-36.011, F.A.C., and must be available to assist residents with self-administered medications in accordance with procedures described in Section 429.256, F.S. and this rule. (b) In addition to the specifications of Section 429.256(3), F.S., assistance with self-administration of medication includes, orally advising the resident of the name and dosage of the medication and verbally prompting a resident to take medications as prescribed. (c) In order to facilitate assistance with self-administration, trained staff may prepare and make available such items as water, juice, cups, and spoons. Trained staff may also return unused doses to the medication container. Medication, which appears to have been contaminated, must not be returned to the container. (d) Trained staff must observe the resident take the medication. Any concerns about the resident's reaction to the medication or suspected noncompliance must be reported to the resident's health care provider and documented in the resident's record. (e) When a resident who receives assistance with medication is away from the facility and from facility staff, the following options are available to	A 052
