(o) The resident's , DH Form 1896, if applicable. (p) For independent living residents who receive meals and occupy beds included within the licensed capacity of an assisted living facility, but who are not receiving any personal, limited nursing, or extended congregate care services, record keeping may be limited to a log listing the names of residents participating in this arrangement. (q) Except for resident contracts, which must be retained for 5 years, all resident records must be retained for 2 years following the departure of a resident from the facility unless it is required by contract to retain the records for a longer period of time. Upon request, residents must be provided with a copy of their records upon departure from the facility. (r) Additional resident records requirements for facilities holding a limited mental health, extended congregate care, or limited nursing services license are provided in Rules 59A-36.020, 59A-36.021 and 59A-36.022, F.A.C., respectively. This Statute or Rule is not met as evidenced by: Based on observation, record review and interview, the facility failed to maintain an accurate health assessment for two (Residents #2, and 4) out of six sampled residents. Findings: Observation on at 6:06 AM Staff C (Caregiver) spoon fed Resident #2 her medications. However, a review of Resident #2's health assessment dated showed the	A 162
