(a) Nothing in this rule chapter is intended to prohibit a resident or the resident's representative from independently arranging, , and paying for services provided by a third party of the resident's choice, including a licensed home health agency or private nurse, or receiving services through an out-patient clinic, provided the resident meets the criteria for admission and continued residency and the resident complies with the facility's policy relating to the delivery of services in the facility by third parties. The facility's policies must require the third party to coordinate with the facility regarding the resident's condition and the services being provided. (b) When residents require or arrange for services from a third party provider, the facility administrator or designee must allow for the receipt of those services, provided that the resident meets the criteria for admission and continued residency. The facility, when requested by residents or representatives, must coordinate with the provider to facilitate the receipt of care and services provided to meet the , resident's needs. (c) The administrator or designee must ensure that: 1. Care coordination includes documented communications about the resident's condition	{A 031}

Based on interviews and record review, the facility failed to obtain Level II background screening for staff with access to residents' personal property and who assist in providing personal care. This deficiency was identified for 4 of 4 sampled employees (Staff A, B, D and E).

The findings included:

Surveyors arrived at the facility on at approximately 12:30 PM, Surveyors were greeted by Staff C (Caregiver) who stated that the Administrator (Staff A) and owner (Staff B) of which also works at the facility were out of town but, however the facility did have a designated person in charge of the day-to-day operations while Staff A was out of town.

During a conference interview on at approximately 12:40 PM, Staff E stated that she was unable to join the survey. However, she indicated that Staff C would provide any documentation needed during the survey process.

A request was made to Staff C to provide the facility's updated roster and staffing schedule.

Review of the facility's staffing schedule revealed Staff A, Staff B (unknown title), Staff D (Caregiver); no employee roster was provided for review. Further review revealed no employee file for Staff E (Alternate Administrator).

During a conference interview on at approximately 3:35 PM, Staff E was informed of the findings.
