A 160	59A-36.015(1) FAC Records - Facility 59A-36.015 Records. The facility must maintain required records in a manner that makes such records readily available at the licensee's physical address for review by a legally authorized entity. If records are maintained in an electronic format, facility staff must be readily available to access the data and produce the requested information. For purposes of this section, "readily available" means the ability to immediately produce documents, records, or other such data, either in electronic or paper format, upon request. (1) FACILITY RECORDS. Facility records must include: (a) The facility's license displayed in a conspicuous and public place within the facility. (b) An up-to-date admission and discharge log listing the names of all residents and each resident's: 1. Date of admission, the facility or place from which the resident was admitted, and if applicable, a notation indicating that the resident was admitted with a stage 2 pressure sore; and, 2. Date of discharge, reason for discharge, and identification of the facility or home address to which the resident was discharged. Readmission of a resident to the facility after discharge requires a new entry in the log. Discharge of a resident is not required if the facility is holding a bed for a resident who is out of the facility but	A 160

A 160	Continued From page 3 Review of the facilities Comprehensive Emergency Management Plan (CEMP) conducted on 08/19/26 revealed no documentation available for review. During an interview on 08/19/26 at 9:55 AM, Staff A, Caregiver stated, " We have a plan but I don't know where it's kept. There is no reason why the information [CEMP plan] was not made available by the administrator." Class III	A 160
