serving as paid or volunteer staff may not be left solely in charge of other residents while the facility administrator, manager or other staff are absent from the facility.
4. In facilities with 17 or more residents, there must be at least one staff member awake at all hours of the day and night.
5. A staff member who has completed courses in First Aid and , , ( ) and holds a currently valid card documenting completion of such courses must be in the facility at all times.
a. Documentation of attendance at First Aid or courses pursuant to subsection 59A-36.011(5), F.A.C., satisfies this requirement.
b. A nurse is considered as having met the course requirements for First Aid. An emergency medical technician or paramedic currently certified under chapter 401, part III, F.S., is considered as having met the course requirements for both First Aid and .
6. During periods of temporary absence of the administrator or manager of more than 48 hours when residents are on the premises, a staff member who is at least , , must be physically present and designated in writing to be in charge of the facility. No staff member shall be in charge of a facility for a consecutive period of 21 days or more, or for a total of 60 days within a calendar year, without being an administrator or manager.
7. Staff whose duties are exclusively building or grounds maintenance, clerical, or food preparation do not count towards meeting the minimum staffing hours requirement.
8. The administrator or manager's time may be counted for the purpose of meeting the required staffing hours, provided the administrator or manager is actively involved in the day-to-day

A 079	Continued From page 2 operation of the facility, including making decisions and providing supervision for all aspects of resident care, and is listed on the facility's staffing schedule. 9. Only on-the-job staff may be counted in meeting the minimum staffing hours. Vacant positions or absent staff may not be counted. (b) Notwithstanding the minimum staffing requirements specified in paragraph (a), all facilities, including those composed of apartments, must have enough qualified staff to provide resident supervision, and to provide or arrange for resident services in accordance with the residents' scheduled and unscheduled service needs, resident contracts, and resident care standards as described in rule 59A-36.007, F.A.C. (c) The facility must maintain a written work schedule that reflects its 24-hour staffing pattern for a given time period. Upon request, the facility must make the daily work schedules of direct care staff available to residents or their representatives. (d) The facility must provide staff immediately when the agency determines that the requirements of paragraph (a) are not met. The facility must immediately increase staff above the minimum levels established in paragraph (a), if the agency determines that adequate supervision and care are not being provided to residents, resident care standards described in rule 59A-36.007, F.A.C., are not being met, or that the facility is failing to meet the terms of residents' contracts. The agency will consult with the facility administrator and residents regarding any determination that additional staff is required. Based on the recommendations of the local fire safety authority, the agency may require additional staff when the facility fails to meet the	A 079

A 079	Continued From page 3 fire safety standards described in rule chapter 69A-40, F.A.C., until such time as the local fire safety authority informs the agency that fire safety requirements are being met. 1. When additional staff is required above the minimum, the agency will require the submission of a corrective action plan within the time specified in the notification indicating how the increased staffing is to be achieved to meet resident service needs. The plan will be reviewed by the agency to determine if it sufficiently increases the staffing levels to meet resident needs. 2. When the facility can demonstrate to the agency that resident needs are being met, or that resident needs can be met without increased staffing, the agency may modify staffing requirements for the facility and the facility will no longer be required to maintain a plan with the agency. (e) Facilities that are co-located with a nursing home may use shared staffing provided that staff hours are only counted once for the purpose of meeting either assisted living facility or nursing home minimum staffing ratios. (f) Facilities holding a limited mental health, extended congregate care, or limited nursing services license must also comply with the staffing requirements of rules 59A-36.020, 59A-36.021 or 59A-36.022, F.A.C., respectively. This Statute or Rule is not met as evidenced by: Based on record review, interview and observation, it was determined that the facility failed to maintain an accurate staffing schedule reflective of the facility's 24 hour staffing pattern. The findings include:	A 079

A 167	Continued From page 14 responsibility to the facility. (5) Neither the contract nor any provision thereof relieves any licensee of any requirement or , imposed upon it by this part or rules adopted under this part. (6) In lieu of the provisions of this section, facilities certified under chapter 651 shall comply with the requirements of s. 651.055. (7) Notwithstanding the provisions of this section, facilities which consist of 60 or more apartments may require refund policies and termination notices in accordance with the provisions of part II of chapter 83, provided that the lease is terminated automatically without financial penalty in the event of a resident's or relocation due to , , hospitalization or to medical reasons which necessitate services or care beyond which the facility is licensed to provide. The date of termination in such instances shall be the date the unit is fully vacated. A lease may be substituted for the contract if it meets the disclosure requirements of this section. For the purpose of this section, the term "apartment" means a room or set of rooms with a kitchen or kitchenette and lavatory located within one or more buildings containing other similar or like residential units. This Statute or Rule is not met as evidenced by: Based on record review and staff interviews, the facility failed to ensure that a completed and duly executed contract between the participant's representative and the facility was in place for one Daycare Participant (DP) out of seven sampled residents (Resident #7). A 167	Continued From page 15 The findings include: During an interview with the Administrator on at 12:35 PM, surveyors requested the contract for Daycare Participant Resident #7. Review of the document provided showed the facility did not maintain a daycare participant contract. The facility had issued an Assisted Living Facility (ALF) contract instead. Resident #7's daycare admission date was documented as . The Demographic Data Information page, and the ALF Resident Agreement contained only the participant family member's initials and the name and signature. The Administrator had not signed the agreement, and no daycare specific contract was present in the file. During an interview with the Administrator on at 1:15 PM, she stated she was unaware that daycare participants were required to have a separate contract from the contract used for ALF residents. No additional documents were presented. Class	A 167

ZZ830	408.821 FS Emergency Management Planning 408.821 Emergency management planning; emergency operations; inactive license.- (1) A licensee required by authorizing statutes and agency rule to have a comprehensive emergency management plan must designate a safety liaison to serve as the primary contact for emergency operations. Such licensee shall submit its comprehensive emergency management plan to the local emergency management agency, county health department, or Department of Health as follows: (a) Submit the plan within 30 days after initial licensure and change of ownership, and notify the agency within 30 days after submission of the plan. (b) Submit the plan annually and within 30 days after any significant modification, as defined by agency rule, to a previously approved plan. (c) Submit necessary plan revisions within 30 days after notification that plan revisions are required. (d) Notify the agency within 30 days after approval of its plan by the local emergency management agency, county health department, or Department of Health. (2) An entity subject to this part may temporarily exceed its licensed capacity to act as a receiving provider in accordance with an approved comprehensive emergency management plan for up to 15 days. While in an overcapacity status, each provider must furnish or arrange for appropriate care and services to all clients. In addition, the agency may approve requests for overcapacity in excess of 15 days, which approvals may be based upon satisfactory justification and need as provided by the receiving and sending providers. (3)(a) An inactive license may be issued to a licensee subject to this section when the provider	ZZ830

ZZ830	Continued From page 1 is located in a geographic area in which a state of emergency was declared by the Governor if the provider: 1. Suffered damage to its operation during the state of emergency. 2. Is currently licensed. 3. Does not have a provisional license. 4. Will be temporarily unable to provide services but is reasonably expected to resume services within 12 months. (b) An inactive license may be issued for a period not to exceed 12 months but may be renewed by the agency for up to 12 additional months upon demonstration to the agency of progress toward reopening. A request by a licensee for an inactive license or to extend the previously approved inactive period must be submitted in writing to the agency, accompanied by written justification for the inactive license, which states the beginning and ending dates of inactivity and includes a plan for the transfer of any clients to other providers and appropriate licensure fees. Upon agency approval, the licensee shall notify clients of any necessary discharge or transfer as required by authorizing statutes or applicable rules. The beginning of the inactive licensure period shall be the date the provider ceases operations. The end of the inactive period shall become the license expiration date, and all licensure fees must be current, must be paid in full, and may be prorated. Reactivation of an inactive license requires the prior approval by the agency of a renewal application, including payment of licensure fees and agency inspections indicating compliance with all requirements of this part and applicable rules and statutes. (4) . . . Licensees providing residential or inpatient services must utilize an online database	ZZ830

ZZ830	Continued From page 2 approved by the agency to report information to the agency regarding the provider's emergency status, planning, or operations. This Statute or Rule is not met as evidenced by: Based on interview and record review, the facility failed to submit its Comprehensive Emergency Management Plan (CEMP) to the local Emergency Management Division for the required annual review and approval. The findings include: During an interview conducted on at 9:30 AM with the Administrator, a request was made for the facility's Comprehensive Emergency Management Plan (CEMP). During a second interview at 10:49 AM, the Administrator stated she was not sure whether the facility had a current approved CEMP. She placed a telephone call to an individual she identified as her consultant. The consultant stated that the facility did not have an approved CEMP and stated that they had been attempting to obtain approval but had encountered issues. The Administrator stated she would forward the documents provided by the consultant. Review of the email sent by the consultant revealed the facility's last approval letter from the local Emergency Management Division, dated . The letter documented: "The CEMP is now approved until . Please be advised that the next plan review submittal date is ." No additional documentation demonstrating submission or approval of a current CEMP was provided at the time of the survey.	ZZ830
