A 165 SS=D	429.23(&) FS Risk Mgmt & QA 429.23 Internal risk management and quality assurance program; adverse incidents and reporting requirements.- (1) Every facility licensed under this part may, as part of its administrative functions, voluntarily establish a risk management and quality assurance program, the purpose of which is to assess resident care practices, facility incident reports, deficiencies cited by the agency, adverse incident reports, and resident grievances and develop plans of action to correct and respond quickly to identify quality differences. (2) Every facility licensed under this part is required to maintain adverse incident reports. For purposes of this section, the term, "adverse incident" means: (a) An event over which facility personnel could exercise control rather than as a result of the resident's condition and results in: 1. ; 2. or . damage; 3. Permanent ; 4. or of bones or joints; 5. Any condition that required medical attention to which the resident has not given his or her consent, including failure to honor advanced directives; 6. Any condition that requires the transfer of the resident from the facility to a unit providing more acute care due to the incident rather than the resident's condition before the incident; or 7. An event that is reported to law enforcement or its personnel for investigation; or (b) Resident elopement, if the elopement places the resident at risk of harm or injury. (3) Licensed facilities shall provide within 1 business day after the occurrence of an adverse incident, through the agency's online portal, or if the portal is offline, by electronic mail, a	A 165

A 165	Continued From page 1 preliminary report to the agency on all adverse incidents specified under this section. The report must include information regarding the identity of the affected resident, the type of adverse incident, and the status of the facility's investigation of the incident. (4) Licensed facilities shall provide within 15 days, through the agency's online portal, or if the portal is offline, by electronic mail, a full report to the agency on all adverse incidents specified in this section. The report must include the results of the facility's investigation into the adverse incident. (6) , neglect, or , must be reported to the Department of Children and Families as required under chapter 415. (7) The information reported to the agency pursuant to subsection (3) which relates to persons licensed under chapter 458, chapter 459, chapter 461, chapter 464, or chapter 465 shall be reviewed by the agency. The agency shall determine whether any of the incidents potentially involved conduct by a health care professional who is subject to disciplinary action, in which case the provisions of s. 456.073 apply. The agency may investigate, as it deems appropriate, any such incident and prescribe measures that must or may be taken in response to the incident. The agency shall review each incident and determine whether it potentially involved conduct by a health care professional who is subject to disciplinary action, in which case the provisions of s. 456.073 apply. (8) If the agency, through its receipt of the adverse incident reports prescribed in this part or through any investigation, has reasonable belief that conduct by a staff member or employee of a licensed facility is grounds for disciplinary action by the appropriate board, the agency shall report	A 165

of Florida, or the Constitution of the United States as a resident of a facility. Every resident of a facility shall have the right to:
(a) Live in a safe and decent living environment, free from and neglect.
(b) Be treated with consideration and respect and with due recognition of personal dignity, individuality, and the need for privacy.
(c) Retain and use his or her own clothes and other personal property in his or her immediate living quarters, so as to maintain individuality and personal dignity, except when the facility can demonstrate that such would be unsafe, impractical, or an infringement upon the rights of other residents.
(d) Unrestricted private communication, including receiving and sending unopened correspondence, access to a telephone, and visiting with any person of his or her choice, at any time between the hours of 9 a.m. and 9 p.m. at a minimum. Upon request, the facility shall make provisions to extend visiting hours for caregivers and out-of-town guests, and in other similar situations.
(e) Freedom to participate in and benefit from community services and activities and to pursue the highest possible level of independence, autonomy, and interaction within the community.
(f) Manage his or her financial affairs unless the resident or, if applicable, the resident's representative, designee, surrogate, guardian, or attorney in fact authorizes the administrator of the facility to provide safekeeping for funds as provided in s. 429.27.
(g) Share a room with his or her spouse if both are residents of the facility.
(h) Reasonable opportunity for regular exercise several times a week and to be outdoors at regular and frequent intervals except when
