A 030	Continued From page 1 (d) The facility must have a written statement of its house rules and procedures that must be included in the admission package provided pursuant to Rule 59A-36.006, F.A.C. The rules and procedures must at a minimum address the facility's policies regarding: 1. Resident responsibilities; 2. and tobacco use; 3. Medication storage; 4. Resident elopement; 5. Reporting resident , neglect, and ; 6. Administrative and housekeeping schedules and requirements; 7. control, sanitation, and standard precautions; 8. The requirements for coordinating the delivery of services to residents by third party providers; 9. Assistive devices; and 10. Physical . (e) Residents may not be required to perform any work in the facility without compensation. Residents may be required to clean their own sleeping areas or apartments if the facility rules or the facility contract includes such a requirement. If a resident is employed by the facility, the resident must be compensated in compliance with state and federal wage laws. (f) The facility must provide residents with convenient access to a telephone to facilitate the resident's right to unrestricted and private communication, pursuant to Section 429.28(1)(d), F.S. The facility must allow unidentified telephone calls to residents. For facilities with a licensed capacity of 17 or more residents in which residents do not have private telephones, there must be, at a minimum, a readily accessible telephone on each floor of each building where residents reside. A 030	Continued From page 2 429.28 Resident bill of rights.- (1) No resident of a facility shall be deprived of any civil or legal rights, benefits, or privileges guaranteed by law, the Constitution of the State of Florida, or the Constitution of the United States as a resident of a facility. Every resident of a facility shall have the right to: (a) Live in a safe and decent living environment, free from and neglect. (b) Be treated with consideration and respect and with due recognition of personal dignity, individuality, and the need for privacy. (c) Retain and use his or her own clothes and other personal property in his or her immediate living quarters, so as to maintain individuality and personal dignity, except when the facility can demonstrate that such would be unsafe, impractical, or an infringement upon the rights of other residents. (d) Unrestricted private communication, including receiving and sending unopened correspondence, access to a telephone, and visiting with any person of his or her choice, at any time between the hours of 9 a.m. and 9 p.m. at a minimum. Upon request, the facility shall make provisions to extend visiting hours for caregivers and out-of-town guests, and in other similar situations. (e) Freedom to participate in and benefit from community services and activities and to pursue the highest possible level of independence, autonomy, and interaction within the community. (f) Manage his or her financial affairs unless the resident or, if applicable, the resident's representative, designee, surrogate, guardian, or attorney in fact authorizes the administrator of the facility to provide safekeeping for funds as provided in s. 429.27. Thereafter, each employee who provides personal care must participate in at least 4 hours of continuing education each calendar year through contact hours, on-the-job training, or electronic learning . For this subparagraph, the term "on-the-job training" means a form of direct coaching in which a facility administrator or his or her designee instructs an employee who provides personal care with guidance, support, or -on experience to help develop and refine the employee's skills for caring for a person with 's or a related form of . The continuing education must cover at least one of the topics included in the -specific training in which the employee has not received previous training in the previous calendar year. The continuing education may be fulfilled and documented in a minimum of one quarter-hour increments through on-the-job training of the employee by a facility administrator or his or her designee or by an electronic learning chosen by the facility administrator. On-the-job training may not account for more than 2 hours of continuing education each calendar year. (f)1. An employee provided, assigned, or referred by a health care services pool must complete the training required in paragraph (c), paragraph (d), or paragraph (e) that is applicable to the covered provider and the position in which the employee will be working. The documentation verifying the completed training and continuing education of the employee, if applicable, must be provided to the covered provider upon request. 2. A health care services pool must verify and maintain documentation as required under s. 400.980(5) before providing, assigning, or referring an employee to a covered provider.	ZZ875
