SUMMARY STATEMENT OF DEFICIENCIES
(FINDINGS PRECEDED BY TAGS AND REGULATORY IDENTIFYING INFORMATION)

0000 - Initial Comments

An unannounced complaint survey for allegations contained within CCR# 2018003060 & CCR# 2018003094 was conducted at Home Sweet Home ALF, license #12572, in Chipley, Florida on The complaint survey was conducted in conjunction with a biennial survey with limited mental health specialty license. At the time of the survey, deficient practice was identified regarding the complaint survey.

0030 - Resident Care - Rights & Facility Procedures - 58A-5.0182(6) FAC; 429.28(1-2) FS

Based on observation and interview, the facility failed to honor resident rights by not providing a safe and decent living environment free from bed bugs for 3 of 3 residents sampled. (#1, #2, and #3)

The findings were:

An observation was conducted of the facility on at approximately 10:00am, which revealed active bed bugs in resident# 2's the mattress, sheets, and box spring. (Photographic evidence obtained) There were bed bugs found in resident #3's (single bed) on and under the mattress, and on the floor under the bed.

An interview was conducted with resident #1 on at approximately 11:00am who stated, ""I did have bed bugs and complained about it to the administrator and my case worker. They pulled all the carpet up, got me a new mattress, sprayed, took everything out of the, and clean all of my clothes. I am no longer being bitten and there are no signs of bed bugs in my this time."

An interview was conducted with the administrator on at approximately 11:14am, in which she stated, "We did have bed bugs in (. resident #1) and we pulled all the carpet out, sprayed, put new mattresses on the beds, and removed and cleaned all the resident's clothes in the We did all of the work ourselves and I called and got an estimate from a pest control company out of Panama City but I did not use them. I was unaware other had bed bugs in them no one has complained or anything."

Class III

0152 - Physical Plant - Safe Living Environ/Other - 58A-5.023(3) FAC

Based on observation and interview, the facility failed to provide a clean environment free from (bed
