or termination of employment of any employee as a result of background screening, it shall notify the employee in writing, stating the specific record that indicates noncompliance with the standards in this chapter. It is the responsibility of the affected employee to contest his or her disqualification or to request exemption from disqualification. The only basis for contesting the disqualification is proof of mistaken identity.
(2)(a) An employer may not hire, select, or otherwise allow an employee to have contact with any person that would place the employee in a role that requires background screening until the screening process is completed and demonstrates the absence of any grounds for the denial or termination of employment. If the screening process shows any grounds for the denial or termination of employment, the employer may not hire, select, or otherwise allow the employee to have contact with any person that would place the employee in a role that requires background screening unless the employee is granted an exemption for the disqualification by the agency as provided under s. 435.07.
(b) If an employer becomes aware that an employee has been for a disqualifying offense, the employer must remove the employee from contact with any person that places the employee in a role that requires background screening until the is resolved in a way that the employer determines that the employee is still eligible for employment under this chapter.
(c) The employer must terminate the employment of any of its personnel found to be in noncompliance with the minimum standards of this chapter or place the employee in a position for which background screening is not required
