A 008 SS=D	429.26() FS; 58A-5.0181(2) FAC Admissions - Health Assessment 429.26 (4) If possible, each resident shall have been examined by a licensed physician, a licensed physician assistant, or a licensed nurse practitioner within 60 days before admission to the facility. The signed and completed medical examination report shall be submitted to the owner or administrator of the facility who shall use the information contained therein to assist in the determination of the appropriateness of the resident's admission and continued stay in the facility. The medical examination report shall become a permanent part of the record of the resident at the facility and shall be made available to the agency during inspection or upon request. An assessment that has been completed through the Comprehensive Assessment and Review for Long-Term Care Services (CARES) Program fulfills the requirements for a medical examination under this subsection and s. 429.07(3)(b)6. (5) Except as provided in s. 429.07, if a medical examination has not been completed within 60 days before the admission of the resident to the facility, a licensed physician, licensed physician assistant, or licensed nurse practitioner shall examine the resident and complete a medical examination form provided by the agency within 30 days following the admission to the facility to enable the facility owner or administrator to determine the appropriateness of the admission. The medical examination form shall become a permanent part of the record of the resident at	A 008

A 008	Continued From page 1 the facility and shall be made available to the agency during inspection by the agency or upon request. (6) Any resident accepted in a facility and placed by the department or the Department of Children and Families shall have been examined by medical personnel within 30 days before placement in the facility. The examination shall include an assessment of the appropriateness of placement in a facility. The findings of this examination shall be recorded on the examination form provided by the agency. The completed form shall accompany the resident and shall be submitted to the facility owner or administrator. Additionally, in the case of a mental health resident, the Department of Children and Families must provide documentation that the individual has been assessed by a psychiatrist, clinical psychologist, clinical social worker, or nurse, or an individual who is supervised by one of these professionals, and determined to be appropriate to reside in an assisted living facility. The documentation must be in the facility within 30 days after the mental health resident has been admitted to the facility. An evaluation completed upon discharge from a state mental hospital meets the requirements of this subsection related to appropriateness for placement as a mental health resident providing it was completed within 90 days prior to admission to the facility. The applicable department shall provide to the facility administrator any information about the resident that would help the administrator meet his or her responsibilities under subsection (1). Further, department personnel shall explain to the facility operator any special needs of the resident and advise the operator whom to call should problems arise. The applicable department shall advise and assist the	A 008

As part of the admission criteria, an individual must undergo a -to- medical examination completed by a health care provider as specified in either paragraph (a) or (b) of this subsection. (a) A medical examination completed within 60 calendar days before the individual's admission to a facility pursuant to section 429.26(4), F.S. The examination must address the following: 1. The physical and mental status of the resident, including the identification of any health-related problems and functional limitations, 2. An evaluation of whether the individual will require supervision or assistance with the activities of daily living, 3. Any nursing or , services required by the individual, 4. Any special diet required by the individual, 5. A list of current medications prescribed, and whether the individual will require any assistance with the administration of medication, 6. Whether the individual has signs or symptoms of , or any other communicable , which are likely to be transmitted to other residents or staff, 7. A statement on the day of the examination that, in the opinion of the examining health care provider, the individual's needs can be met in an assisted living facility; and, 8. The date of the examination, and the name, signature, address, telephone number, and license number of the examining health care	A 008

A 008	Continued From page 4 either department must be conducted within 30 days before placement in the facility and recorded on AHCA Form 1823 described in paragraph (b). (e) An assessment that has been conducted through the Comprehensive, Assessment, Review and Evaluation for Long-Term Care Services (CARES) program may be substituted for the medical examination requirements of section 429.26, F.S. and this rule. (f) Any orders issued by the health care provider conducting the medical examination for medications, nursing, therapeutic diets, or other services to be provided or supervised by the facility may be attached to the health assessment. A health care provider may attach a DH Form 1896, Florida Form, for residents who do not wish to be administered in the case of _____ or _____. (g) A resident placed in a facility on a temporary emergency basis by the Department of Children and Families pursuant to section 415.105 or 415.1051, F.S., is exempt from the examination requirements of this subsection for up to 30 days. However, a resident accepted for temporary emergency placement must be entered on the facility's admission and discharge log and counted in the facility census. A facility may not exceed its licensed capacity in order to accept such a resident. A medical examination must be conducted on any temporary emergency placement resident accepted for regular admission. This Statute or Rule is not met as evidenced by: Based on record review and interview, the facility had used the incorrect version of the AHCA Form 1823 for one of two residents sampled (#3) who had been at the facility at least 30 days.
