A6000	Continued From page 1 account of his or her status as a resident of an establishment, nor shall a resident forfeit any of the following rights: 13) The right to be free of abuse or neglect or financial exploitation or to refuse to perform labor; Based on interview and record review the facility failed to ensure residents are free from any form of abuse including physical abuse in the facility. This failure resulted in R1 putting R2 in a headlock and R1 sustaining scratches on his chest and hands. This failure creates a substantial probability of harm to residents in the facility. Findings include: The Facility Policy Abuse, Neglect and Exploitation Prevention and Reporting dated 5/27/25, documents, "1. Purpose: To protect residents from abuse, neglect, and exploitation and to establish procedure for reporting, investigating and responding to allegations in compliance with Illinois law and administrative code. Scope: This policy applies to all employees, volunteers, contractors, residents and visitors at the facility." R1's Progress Notes dated 2/18/26 documents, "Staff reported that resident (R1) had been screaming, "Wake Up" for several hours. Whenever staff asked him what they could do for him, he would tell them to "get the f*** out." He stated he intended to wake the whole facility. Resident threw himself out of his wheelchair x 3 and staff would put him back into wheelchair each	A6000

time. Staff offered to assist resident into bed but resident refused, offered snacks and television, but resident refused. Staff reported a second resident (R2) entered resident's room and tripped and fell. Upon staff attempting to assist (R2), resident (R1) moved forward and and put (R2) into a headlock. Both residents struggled with each other and staff tried to separate them, was able to get (R1) to release his hold on (R2) and noted to have sustained four reddened scratches to chest and a 0.1 cm x 0.1 cm skin tear to left posterior hand, experienced no pain, blood pressure at baseline and range of motion within normal limits. Alert to self and surroundings.

R2's Progress Notes dated 2/18/26 documents, "Staff reported that at 5:00 AM (R1) stripped off his clothing again and entered (R1's) room. (R2) tripped and fell against the wall of (R1's) room. When staff tried to assist (R2) up, (R1) moved forward and put resident into a headlock. The two residents had a physical struggle and staff was able to separate them.(R2) denied any discomfort ROM within normal limits for resident. No redness or discoloration to neck. Escorted resident to his own room and allowed staff to dress him.

On 3/5/26 at 10:25 AM, E2/Director of Wellness stated that Z6/R2's Nurse Practitioner ordered an emergency inpatient hospital admission for R2 on 2/18/26 and R2 was transferred to a nearby hospital and was admitted there. E2 stated R2 was already on 15 minute safety checks and new medications ordered a week prior due to increasing behaviors of agitation and physical aggression towards staff. E2 stated that around midnight on 2/18/26, R2 was stripping his clothing and was entering other residents' rooms but staff redirection provide until R2 entered R1's room and the altercation between R1 and R2

A9040	Continued From page 4 of urine upon entrance, sticky bedroom and bathroom floor, clothes scattered on one side of bathroom floor, toilet not properly flushed and brown sediments noted floating, bed unmade. At 12:25 PM, inside Apartment D10 bathroom - clothes on the floor, toilet bowl with feces, urine and toilet paper At 12: 35 PM inside Apartment D18 bathroom - clothes on the floor, toilet bowl with feces, urine and toilet paper. On 3/5/26 at 11:55 AM, E6/Housekeeping stated there's always 2 housekeeping staff on duty everyday from 6A-4P Monday thru Friday to provide deep cleaning on each resident room once a week. The care staff maintains the daily general cleanliness of the rooms of the residents, makes bed, flushes toilets., puts the dirty clothes in the hamper provided, keeps the room tidy. If there is feces or urine on the floor or wall, the care staff will do preliminary clean up then notify housekeeping to do the sanitizing. On 3/5/26 at 2:45 PM, E2/Director of Wellness stated that the strong smell of urine in Apartment A17 is coming from the wheelchair cushion that was already in the same state when R1 moved in a month ago and housekeeping cleaned and washed it as much as can be done and have requested the family to replace it. On 3/5/26 at 3:00 PM, E1/Executive Director stated that it should be part of what care staff do: keep toilets flushed, rooms tidy and uncluttered when rounding.	A9040
