The following items had a scoop located inside the container: One container Corn Kernels 22 quarts On 09/09/26 at 09:38 AM Administrative Staff A confirmed the food items were expired and that the scoop was located inside the container. The Kansas Department of Agriculture's "Focus on Food Safety" booklet explains that commercially prepared foods must be date marked after the original container was opened and held under refrigeration. Foods prepared on site must be labeled and date marked for consumption or discarded within 24 hours. Potentially hazardous foods, foods requiring time and temperature control for safety, should not be exposed to the danger zone for more than four hours total, including time spent in preparation, cooling and reheating. The facility failed to ensure foods were stored under safe conditions.	S3299
