II. Purpose of Addendum

The purpose of this addendum is to increase the license capacity, from 3 to 5 residents.

III. Methodology

On 10/07/2026, I conducted an onsite inspection at Five Lakes Family Home Afc.

On 10/07/2026, while onsite, the licensee requested that the license capacity be changed.

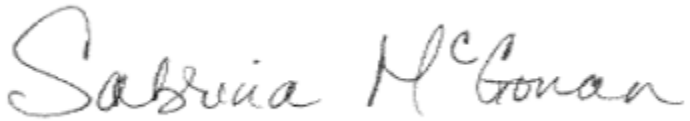

IV. Description of Findings and Conclusions

On 10/07/2026, I measured Resident Bedroom #3, initially occupied by a HHM who no longer resides in the home. This room is located on the upstairs level of the home on the east side of the hall and measures 11'7" x 11"5", for a total of 132.2 square feet. This room is able to accommodate 2 residents. There is also full bathroom on this level available for residents' use.

The living, dining, and sitting room areas measure a total of 600 square feet of living space. This exceeds the minimum of 35 square feet per resident requirement.

V. Recommendation

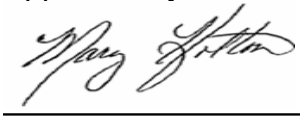

I recommend the capacity for this license be changed to the capacity of 5 residents.
