CNA #5 was suspended pending an investigation. The facility substantiated that verbal abuse occurred.</p> <p>A review of a written statement dated 9/9/24 and signed by CNA #5 revealed that she asked Resident #60 to throw something away while he was outside the facility. She stated that the resident insulted her, calling her an expletive. She responded by saying, "Stop please and move" and "chill out," to which the resident replied that he did not have to do anything for her. CNA #5 stated that she got into her truck, put it in reverse, and assumed the resident would move.</p> <p>In an interview with Resident #60 on 1/6/25 at 9:00 AM, he recalled that on the morning of 9/8/24, at approximately 9:30 AM, CNA #5 asked him to throw something away but did so with an attitude. He told her he did not have to do anything for her. Resident #60 stated that CNA #5 then threatened to run him over, entered her truck, and began backing up while he was positioned behind and slightly to the left of her vehicle. She stopped, screeched her tires, and left the parking lot. Resident #60 reported feeling that CNA #5 intended to hit him but confirmed that no contact occurred.</p> <p>During an interview with CNA #3 on 1/6/25 at 2:40 PM, she stated that on 9/8/24 at around 9:30 AM, she witnessed CNA #5 asking Resident #60 to throw something away. Resident #60 threw the item on the ground and told CNA #5 to throw it away herself. CNA #3 reported hearing CNA #5 state, "I ought to run down your [expletive]." She then observed CNA #5 back up toward Resident #60, screech her tires, and leave the facility.</p> | M 500                                                                                                   | <p>residents' weekly observations for 4 weeks and then monthly for three (3) months to ensure staff provide care according to the care planned resident preferences. He then stated, "I am unable to get up by myself, or I would try to shower myself."</p> <p>In an interview and observation of Resident #195 on 1/6/24 at 12:10 PM with Certified Nurse Assistant (CNA) #1, she confirmed she had not attempted to give the resident a shower, and stated the facility does not have a set shower schedule for the residents. She then admitted that the resident's hair, beard and nails did not appear clean or that he had had a bath lately.</p> <p>In an interview and record review with the shower CNA #2 on 1/06/24 at 1:00 PM, she confirmed that the facility does not have a set shower schedule for the residents letting us know when they need one. She then revealed that if a resident receives a shower by the shower staff, then it would be documented on the shower schedule forms. After record review she confirmed that Resident #195 had no documented shower since admission.</p> <p>In an interview with the Director of Nursing (DON) on 1/07/25 at 10:39 AM, she confirmed that the facility did not have a shower schedule in place at this time. She stated, "we had one in place for a while, but no one was following up on it and so it was stopped." She confirmed she was aware there was a problem and should have put something in place to ensure residents received their showers. She stated that failing to provide Resident #195 showers per his preference is a failure to honor the residents' right of choice.</p> <p>Record review of the January Shower Record revealed there was no documented shower for</p> | M 500                                                                                                   |                                                                                                                          |                                                                    |

She revealed she couldn't cut the resident's fingernails but could have ensured they were cleaned up. Resident #13 told CNA #6 she wanted her nails trimmed and her facial hair removed.</p> <p>An observation and interview on 1/07/25 at 1:00 PM, the Director of Nurses (DON) confirmed Resident #17's fingernails were long, jagged, and had a substance under them. The DON revealed that the nurses are responsible for trimming her fingernails since she is diabetic, and trimming her facial hair is part of her daily grooming when she gets a bed bath or shower. She revealed that with her fingernails, long and jagged, she could scratch herself and cause skin concerns. The DON confirmed that Resident #17 had long facial hair in her chin area and revealed that she had not been properly groomed.</p> <p>During an interview on 1/07/25 at 1:47 PM, Licensed Practical Nurse (LPN) #1 revealed she cleaned and trimmed Resident #17's fingernails about a month ago. She revealed there is no set day to do nail care and there is not a reminder in the documenting system; she stated, "We just do nail care when we notice that it needs to be done. I take full responsibility for not doing her nail care."</p> <p>Record review of the "Admission Record" revealed the facility admitted Resident #17 on 11/19/2019 with medical diagnoses that included Type 2 Diabetes Mellitus, Chronic Pulmonary Edema, and Heart Failure.</p> <p>Record review of Resident #17's Minimum Data Set (MDS) with an Assessment Reference Date (ARD) of 10-29-2024 revealed, under Section C, a Brief Interview for Mental Status (BIMS)</p> | M 610                                                                                                   | <p>incontinence care. On 1/10/2025 a QAPI (Quality Assurance Performance Improvement) meeting was held with the Interdisciplinary team to discuss the survey results. A report of audit findings will be submitted by the RN (Registered Nurse) Supervisor to QAPI (Quality Assurance Performance Improvement) committee on 1/31/2025 for review and recommendations then monthly for three (3) months. CNA #7 entered the room upon the State Agent's (SA) request and pulled back the blanket covering the resident. The resident was lying on a sheet that was saturated with urine extending from the right side of the resident's waist up to his torso and extending out approximately eight (8) inches towards the edge of the bed. The saturated urine area had a brown ring around the outer edges. CNA #7 confirmed that Resident #49 was lying in a large amount of urine and stated, "You can tell he has not been changed in a while because of that brown ring around the outer edge." This observation also revealed Resident #49 with approx. ¾ inch of facial hair growth on his chin, above his lip, and on the sides of his cheeks.</p> <p>During an observation and interview on 1/06/25 at 8:20 AM, LPN #1 confirmed she could smell a strong urine smell and that the urine-saturated sheet had a dried brown ring. She revealed that the urine looked like it had been there for a while and confirmed the resident was unshaven and unkempt.</p> <p>During an observation and interview on 1/06/25 at 8:30 AM, the Administrator (ADM) confirmed that Resident #49 was lying on a urine-saturated sheet with a brown ring around the outer edges of the stain. She revealed that this is not acceptable and confirmed that he doesn't look like he has been groomed in quite some time and has been left wet for a while.</p> | M 610                                                                                                   |                                                                                                                          |                                                                    |

She stated the resident had not been shaved in quite some time, and "with his sheets being wet, I can tell you that the night shift did not change him like they were supposed to."</p> <p>During an interview on 1/6/25 at 8:55 AM, the DON confirmed that Resident #49 had long facial hair and revealed she wasn't sure when he was last properly groomed. She revealed there was no excuse for the resident to be found lying in urine and stated, "We obviously have an issue with care not being done."</p> <p>Record review of the Admission Record revealed Resident #49 was admitted to the facility on 08/07/2024 with diagnoses that included Unspecified Dementia, Type 2 Diabetes Mellitus, Hemiplegia, and Hemiparesis.</p> <p>Resident #57</p> <p>An observation on 1/06/25 at 8:00 AM revealed Resident #57 lying in bed with facial hair growth on his chin, above his lip, and on the sides of his cheeks that was approximately 1 inch long. Resident #57's fingernails were approximately one-half (1/2) inch long, jagged and had a brown substance underneath them on both hands.</p> <p>During an observation and interview on 1/06/25 at 8:10 AM, LPN #1 confirmed Resident #57 was unshaven with fingernails that were long and</p> | M 610                                                                                                   |                                                                                                                          |                                                                    |

She revealed she wasn't sure when the resident was shaven, but it looks like it has been a while. She revealed it is the nurses' responsibility to do his nail care since he is diabetic and revealed we do it whenever we notice they are getting long. She confirmed it had been about a month since the resident's nails were trimmed.</p> <p>During an observation and interview on 1/06/25 at 8:20 AM, CNA #8 revealed she was assigned to the resident today and wasn't sure what day the resident was supposed to get his showers. She revealed we take them when they need to be cleaned up or give them a bed bath. She revealed that it looked like the resident hadn't been shaven in a long time, and his nails were very long and dirty.</p> <p>During an observation and interview on 1/06/25 at 8:30 AM, the DON confirmed that Resident #57 was unshaven, and his fingernails were long, jagged, and dirty. She revealed that the resident could scratch himself and possibly cause an infection. The DON stated, "The CNA's are responsible for making sure residents are properly groomed, and it honestly looks like it's been a while since that has happened."</p> <p>Record review of the Admission Record for Resident #57 revealed he was admitted to the facility on 02/21/22 with diagnoses that included Need for Assistance with Personal Care and Type 2 Diabetes Mellitus.</p> <p>Resident #195</p> <p>An observation and interview on 1/06/25 at 9:00 AM revealed Resident #195's hair and beard to be unkempt and matted in appearance, his</p> | M 610                                                                                                   |                                                                                                                          |                                                                    |

Resident #195 stated he had been in the facility for a little over two weeks and had not received a shower, a shave, or even had his hair brushed. He then stated that his nails had also not been trimmed or cleaned since he was admitted. Resident #195 stated he had asked for a shower several times and the staff would say ok but would never come back to give him a shower, and stated, "I am unable to get up by myself, or I would try to do it myself."</p> <p>In an observation of Resident #195 on 1/6/24 at 12:10 PM with CNA #1 assigned to the resident, she confirmed that the resident's hair and beard were unkept and did not appear clean. She then stated he did not appear that he had received a shower lately and confirmed the resident's nails were dirty, long, and jagged with some type of brown substance under his nail beds. She then confirmed she had not attempted to do nail care on the resident or give him a shower. CNA #1 then revealed the facility did not have a shower schedule in place letting the staff know when the residents are to be bathed and stated that nail care should be provided as needed.</p> <p>In an interview with the shower CNA #2 and record review on 1/06/24 at 1:00 PM, she confirmed the facility did not have a set shower schedule for the residents. CNA #2 then revealed that when a resident receives a shower by the shower team that it would be documented on the shower schedule. She then confirmed she was unable to find any documentation of showers for Resident #195.</p> <p>During an interview with the DON on 1/07/25 at 10:39 AM, she confirmed that the facility did not</p> | M 610                                                                                                   |                                                                                                                          |                                                                    |
