The facility's failure to implement a physician's order to provide TED hose for Resident #2 put her at risk for having falls and increase swelling of legs, which was painful to the resident. Failure to follow the physician's order for compression socks (Ted Hose) for Resident #2 was detrimental to the health and safety of the resident and constitutes a Type B Violation.</p> <p>_____</p> <p>The facility provided a Plan of Protection on 8/3/17 that included:</p> <p>-The Health and Wellness Director or Designee will verify documentation and implementation of TED hose.</p> | D 276                                                                                           |                                                                                                                          |  |                                                                 |
