| C 330 | Continued From page 11<br><br>12:49pm revealed:<br>--The pharmacy dispensed Resident #3's risperidone on 03/10/26 for a 30 day supply and on 04/22/26 for a 30 day supply.<br>-The pharmacy did notify the facility and Resident #3's mental health provider, date unknown that a new prescription was needed to refill the resident's risperidone.<br>-Resident #3 could experience psychosis (a mental state described as a break from reality) and increased anxiety.<br><br>Refer to the interview with the SIC on 06/30/26 at 12:38pm.<br><br>Refer to the interview with the Administrator on 06/30/26 at 1:26pm.<br><br>Attempted telephone interview with Resident #3's mental health PCP on 06/30/26 at 1:04pm was unsuccessful.<br><br>_____<br>Interview with the SIC on 06/30/26 at 12:38pm revealed:<br>-She knew Resident #2 and Resident #3 had been without their medications.<br>-She was responsible for notifying the pharmacy and the PCP when resident medications were not available for administration.<br>-She was responsible for ensuring medications were available for administration.<br><br>Interview with the Administrator on 06/30/26 at 1:26pm revealed:<br>-She was aware that Resident #2 and Resident #3 had been out of their medications.<br>-The SIC was responsible for ensuring all medications were available for administration and for notifying the PCP if medications were not administered. | C 330 | The McClain's Family Care Home Administrator/Staffs will work closely with the pharmacy nurse, Especially the Administrator review all Clients Medications before the quarterly Pharmacy Review can be done. In that way, if any deficiency can be corrected to avoid meds errors. The Administrator advised all Staffs to call their PCP for refills and then check the Pharmacy to ensure that their PCP call in their refills. And also, if the PCP discontinued any Medications, Documents be filed in their files. | PM 8/12/24 8/26/24 |
