D 000	Initial Comments The Adult Care Licensure Section conducted a follow-up survey and complaint investigation on 08/18/26 - 08/19/26.	D 000		
D 254	10A NCAC 13F .0801 (c) Resident Assessment 10A NCAC 13F .0801 Resident Assessment (c) When a facility identifies a change in a resident's baseline condition based upon the factors listed in Parts (1)(A) through (M) of this Paragraph, the facility shall monitor the resident's condition for no more than 10 days to determine if a significant change in the resident's condition has occurred. The facility shall conduct an assessment of a resident within three days after the facility identifies that a significant change in the resident's baseline condition has occurred. The facility shall use the assessment instrument required in Paragraph (b) of this Rule. For the purposes of this Subchapter, significant change in the resident's condition is determined as follows: (1) Significant change is one or more of the following: (A) deterioration in two or more activities of daily living including bathing, dressing, personal hygiene, toileting, or eating; (B) change in ability to walk or transfer, including falls if the resident experiences repeated falls, meaning more than one, on the same day, or multiple falls that occur over several days to weeks, new onset of falls not attributed to an identifiable cause, a fall with consequent change in neurological status, or physical injury; (C) pain worsening in severity, intensity, or duration, occurring in a new location, or new onset of pain associated with trauma; (D) change in the pattern of usual behavior, new	D 254	Residents #2's current care plan was reviewed and corrected to reflect change in status on 8/21/22 Administrator or RCC will audit current hospice residents' care plans to ensure change in condition is documented by 8/25/26 All residents transitioning to Hospice Care will have residents change in status documented on the updated care plan on the day resident is admitted to hospice. Administrator or RCC will audit all care plans weekly for any significant changes in status and update as needed.
