The building had a wet and dry automatic sprinkler system designed to meet the requirements of NFPA 13, Standard for the Installation of Sprinkler Systems.</p> <p>An occupancy separation wall having a two-hour fire resistance rating was located between the independent living apartments attached to the south and the Maple Manor business occupancy attached to the north and west side of the Maple Manor Care Center.</p> <p>The Activity Room and Chapel were constructed and attached to the original nursing facility in 1997. The Activity Room and the Chapel were of Type II (111) construction with automatic sprinklers installed during the 2010 building project. The Activity Room and Chapel were included as areas used by residents during this survey.</p> <p>Note:</p> <p>Observation and records review determined the facility to be in compliance with the minimum requirements of the 2012 Life Safety Code and NFPA 99, Health Care Facilities Code.</p> |                                                                        | K0000               |                                                                                                                          |  |                                                 |  |

Any deficiency statement ending with an asterisk (\*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See reverse for further instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.

Any deficiency statement ending with an asterisk (\*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See reverse for further instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.
