	Unsubstantiated: 2. Complaint #13835 was unsubstantiated. There were no deficiencies identified. The investigation of the complaints included: Observation of grooming and physical appearance for residents, no ants present in facility, no residents with injuries, resident doors not locking from the outside, medication pass and a tour of the facility. Interviews were conducted with residents, family members, caregivers, medication technicians, the Wellness Director and the Executive Director. Clinical Record Review of five resident records, which included the residents of concern. Document Review included facility policy and procedures, pest control invoice, admission documents and rates and incident reports.
