RE: DANIEL & DANA RUSNAK AFH # 537600

Dear Provider:

This document references Compliance Determination 25040 (Completion Date 06/14/2023).

The Department completed a full inspection of your Adult Family Home on 06/14/2023 and found that your home does not meet the Adult Family Home licensing requirements.

The department staff who did the inspection and provided consultation:

Hongyan Cluer, RN, ALF Licenser

A licenser may consult with a provider when a violation of the Washington Administrative Code (WAC) or Revised Code of Washington (RCW) is found, but it is not cited in the Statement of Deficiencies. Violations may not be cited when it is a first-time violation of statute or rule with minimal or no harm to residents. A consult does not require a follow-up visit.

Consultation:

WAC 388-76-10845 Emergency drinking water supply. The adult family home must have an on-site emergency supply of drinking water that:

- (1) Will last for a minimum of seventy-two hours for the home's licensed capacity, every household member, and caregiving staff;
- (2) Is at least three gallons for the home's licensed capacity, every household member, and

caregiving staff;

(3) Is stored in well-sealed food grade or glass containers;

The adult family home (AFH) failed to have the required amount of emergency drinking water supply in well-sealed food grade containers on-site. The AFH purchased 40 gallons of emergency drinking water while this licenser was still present at the home on 6/7/2023.

You Must:

- Begin the process of correcting the deficiency or deficiencies immediately; and
- Complete correction as soon as possible.

You Are Not:

- Required to submit a plan-of-correction for the deficiency or deficiencies found.

The Department May:

- Inspect the home to determine if you have corrected all deficiencies.

You May:

- Ask for a informal dispute resolution meeting, according to the attached 'Informal Dispute Resolution' instructions; and
- Ask questions and provide written information to help clarify or dispute the deficiencies.
- Contact me for clarification of the deficiency or deficiencies found.

If You Have Any Questions:

- Please contact me at (360)450-1218.

Sincerely,

Michael Burdick, Field Manager
