RE: Later Years Two LLC # 751419

Dear Provider:

This document references Compliance Determination 40895 (Completion Date 05/08/2024).

The Department completed a full inspection of your Adult Family Home on 05/08/2024 and found that your home does not meet the Adult Family Home licensing requirements.

The department staff who did the inspection and provided consultation:

Emily Vincent, AFH Licenser

A licenser may consult with a provider when a violation of the Washington Administrative Code (WAC) or Revised Code of Washington (RCW) is found, but it is not cited in the Statement of Deficiencies. Violations may not be cited when it is a first-time violation of statute or rule with minimal or no harm to residents. A consult does not require a follow-up visit.

Consultation:

WAC 388-76-10455 Medication Administration. For residents assessed with requiring the administration of medications, the adult family home must ensure medication administration is:

(2) By nurse delegation per WAC 246-840-910 through 246-840-970 ; unless

This document was prepared by Residential Care Services for the Locator website.

The adult family home (AFH) did not obtain written consent for AFH caregivers to administer Resident 5's and Resident 6's medications under registered nurse (RN) delegation within 30 days of obtaining verbal consent from Resident 5 and Resident 6 and/or their representatives as required. The AFH Provider obtained written consent from Resident 5's and Resident 6's representatives before the completion of the licensing inspection.

You Must:

- Begin the process of correcting the deficiency or deficiencies immediately; and
- Complete correction as soon as possible.

You Are Not:

- Required to submit a plan-of-correction for the deficiency or deficiencies found.

The Department May:

- Inspect the home to determine if you have corrected all deficiencies.

You May:

- Ask for a informal dispute resolution meeting, according to the attached 'Informal Dispute Resolution' instructions; and
- Ask questions and provide written information to help clarify or dispute the deficiencies.
- Contact me for clarification of the deficiency or deficiencies found.

If You Have Any Questions:

- Please contact me at (253)983-3826.
