WAC 388-76-10015 License Adult family home Compliance required.

(3) The provider must promote the health, safety, and well-being of each resident residing in each licensed adult family home.

This requirement was not met as evidenced by:

Based on interview and record review, the Adult Family Home (AFH) failed to take action to promote the safety and well-being 5 of 5 residents (Residents 1, 2, 3, 4, & 5). This failure placed residents at risk for harm when the home failed to abide by the local authority's wildfire evacuation orders.

Findings included...

Review of the Spokane County Emergency Management webpage titled "Fire Evacuation Levels Explained" defined the Level III "GO NOW" order as "there is an immediate threat to your safety- you need to leave NOW" and "emergency services may not be able to assist you." The webpage further noted "you will not be allowed to return until conditions are safe."

Review of Department emergency management records showed the "Old Trails Fire" west of Spokane city limits was identified on 08/01/2026 at 12:05 PM. Local evacuation notices were issued at 12:11 PM, and the first Level III evacuation notice was issued at 12:24 PM. Wind driven, the fire moved east towards the City of Spokane. By 1:13 PM, Level III evacuation notices extended into Spokane city limits. Additional Level III evacuation notices were issued at 2:46 PM, 3:08 PM, and 3:54 PM.
