IMPOSITION OF CIVIL FINE

Dear Licensee:

On July 20, 2026, the Department of Social and Health Services (DSHS), Residential Care Services completed a follow-up visit at your facility. This letter is formal notice of the imposition of a civil fine on the license for your adult family home, located at **2125 Park Ave, Snohomish,** by the State of Washington, Department of Social and Health Services, pursuant to the Revised Code of Washington (RCW) 70.128.160 and Washington Administrative Code (WAC) 388-76-10940.

The civil fine is based on the following violations of the RCW and/or WAC determined by the department in your adult family home and described in the attached Statement of Deficiencies (SOD) report dated **July 20, 2026**.

Civil Fine

WAC 388-76-10650 (2)(a)(c) Medical devices. **$400.00**

The licensee failed to ensure four residents had an assessment that identified the need and ability to safely use a medical device with a known safety risk and failed to ensure their negotiated care plan (NCP) reflected the use of medical devices. These failures placed the residents at risk of injury or misuse from medical devices with known safety risks.

This is an uncorrected deficiency previously cited March 26, 2025.

NOTE: This is the violation, which resulted in the fine; see the attached Statement of Deficiencies for any additional violations.

Attestation (Plan of Correction):

Return the enclosed SOD within 10 calendar days with the following:

- The date you have or will have each deficiency corrected;
- A signature and date attesting that you are taking actions to correct and maintain correction for each cited deficiency.

Return the signed and dated SOD to:

NOTICE: State and federal law provide protections to defendants who are in military service, and to their dependents. Dependents of a service member are the service member's spouse, the service member's minor child, or and individual for whom the service member provided more than one-half of the individual's support for one hundred eight days immediately preceding an application for relief.

One protection provided is the protection against the entry of a default judgment in certain circumstances. This notice pertains only to a defendant who is a dependent of a member of the National Guard or a military reserve component under a call to active service, or a National Guard member under a call to service authorized by the governor of the state of Washington, for a period of more than thirty consecutive days. Other defendants in military service also have protections against default judgments not covered by this notice. If you are the dependent of a member of the national guard or a military reserve component under a call to active service, or a national guard member under a call to service authorized by the governor of the state of Washington, for a period of more than thirty consecutive days, you should notify the Department in writing of your status as such within twenty days of the receipt of this notice. If you fail to do so, then a court or an administrative tribunal may presume that you are not a dependent of an active duty member of the national guard or reserves, or a national guard member under a call to service authorized by the governor of the state of Washington, and proceed with the entry of an order of default and/or a default judgment without further proof of your status. Your response to the Department about your status does not constitute an appearance for jurisdictional purposes in any pending litigation nor a waiver of your rights.

If you have any questions, please contact Nicholette Flynn, Field Manager, at (206) 348-9350.

Sincerely,
