Assisted Living Facility License # **2026**
Licensee: BONAVENTURE OF EAST WENATCHEE LLC

IMPOSITION OF CIVIL FINES

Dear Administrator:

On September 29, 2026, the Department of Social and Health Services (DSHS), Residential Care Services completed a full inspection and complaint investigation at your facility. This letter constitutes formal notice of civil fines on the license for your assisted living facility, also known as **BONAVENTURE OF EAST WENATCHEE,** located at **50 29TH STREET NW, EAST WENATCHEE,** by the State of Washington, Department of Social and Health Services. These actions are taken under the authority granted pursuant to Laws of 1998, Chapter 272 and RCW 18.20.190.

The civil fines on the license are based on the following violation of the RCW and/or WAC as described in the attached Statement of Deficiencies (SOD) report dated September 29, 2026**.**

Civil Fines

WAC 388-78A-2140 (5) Negotiated service agreement contents. **$1,000.00**

The licensee failed to ensure a resident's negotiated service agreement was developed with a documented plan to address the assessed needs of the resident who had behaviors of self-harm for one resident. This failure placed the resident at risk of self-harm and placed residents at risk of unmet safety needs due to staff being unaware of residents assessed needs and interventions.

This is a recurring deficiency previously cited on August 8, 2025, June 13, 2025, and April 3, 2025, for section (5).

WAC 388-78A-2320 (1)(a)(b)(3)(c) Intermittent nursing services systems. **$700.00**

The licensee failed to ensure that the Registered Nurse Delegator reevaluated each resident every 90 days as required, when residents received delegated task assistance from staff for four residents. The facility failed to ensure that the staff who performed delegated tasks had their training and credentials verified and that staff that performed delegated tasks for residents were delegated by the Registered Nurse Delegator, for 16 staff members. These failures resulted in delegated tasks being performed by staff that were not properly trained and placed residents at risk of delegated tasks to be performed incorrectly, which could cause complications of their medical conditions.

WAC 388-78A-24642 Background checks—National fingerprint background check. **$300.00**

The licensee failed to ensure that a fingerprint background check was completed for one staff member. This failure placed residents at risk of being cared for by a staff member with unknown fingerprint background history.

This is a recurring deficiency previously cited on November 15, 2024, and December 28, 2023, for subsection (1).

NOTE: These are the violations, which resulted in the fines; see the attached Statement of Deficiencies for any additional violations.

NOTICE: State and federal law provide protections to defendants who are in military service, and to their dependents. Dependents of a service member are the service member's spouse, the service member's minor child, or and individual for whom the service member provided more than one-half of the individual's support for one hundred eight days immediately preceding an application for relief.

One protection provided is the protection against the entry of a default judgment in certain circumstances. This notice pertains only to a defendant who is a dependent of a member of the National Guard or a military reserve component under a call to active service, or a National Guard member under a call to service authorized by the governor of the state of Washington, for a period of more than thirty consecutive days. Other defendants in military service also have protections against default judgments not covered by this notice. If you are the dependent of a member of the national guard or a military reserve component under a call to active service, or a national guard member under a call to service authorized by the governor of the state of Washington, for a period of more than thirty consecutive days, you should notify the Department in writing of your status as such within twenty days of the receipt of this notice. If you fail to do so, then a court or an administrative tribunal may presume that you are not a dependent of an active duty member of the national guard or reserves, or a national guard member under a call to service authorized by the governor of the state of Washington, and proceed with the entry of an order of default and/or a default judgment without further proof of your status. Your response to the Department about your status does not constitute an appearance for jurisdictional purposes in any pending litigation nor a waiver of your rights.

If you have any questions, please contact Laura Williams-Davis, Field Manager, at 509-208-5231.

Sincerely,

Matt Hauser
