IMPOSITION OF CIVIL FINES

Dear Administrator:

On October 10, 2023, the Department of Social and Health Services (DSHS), Residential Care Services completed a complaint investigation at your facility. This letter constitutes formal notice of civil fines on the license for your assisted living facility, also known as **The Rivers at Puyallup, Independent Living & Assisted Living**, located at **123 4th Ave NW, Puyallup**, by the State of Washington, Department of Social and Health Services. These actions are taken under the authority granted pursuant to Laws of 1998, Chapter 272 and RCW 18.20.190.

The civil fines on the license are based on the following violation of the RCW and/or WAC as described in the attached Statement of Deficiencies (SOD) report dated October 10, 2023.

Civil Fines

<u>WAC 388-78A-2160 Implementation of negotiated service agreement.</u>	<u>\$200.00</u>
--	------------------------

The licensee failed to provide showers as agreed upon in the Negotiated Service Plan (NSA) for two residents. This failure placed both residents at risk for developing skin infections, decreased skin integrity and poor quality of life.

This is a recurring deficiency previously cited on September 16, 2023.

WAC 388-78A-2120 (3)(a)(b)(4) Monitoring residents' well-being.

\$400.00

The licensee failed to assess, evaluate, and take appropriate action when a change in a resident's condition was identified for one resident. This failure contributed to the resident health declining and being hospitalized.

This is a recurring deficiency previously cited on May 23, 2022 for subsections (3)(a)(b) and (4).

WAC 388-78A-2640 (1)(a)(b)(3)(a)(b) Reporting significant change in a resident's condition.

\$500.00

The licensee failed to notify the resident's representative and physician when a resident had a change in condition for one resident. Additionally, the resident's physician was not notified when the resident was sent to the hospital for one resident. These failures resulted in the resident receiving delayed care and hospitalization.

This is a recurring deficiency previously cited on May 23, 2022.

NOTE: These are the violations, which resulted in the fines; see the attached Statement of Deficiencies for any additional violations.
