Licensee: HSRE-Stellar II TRS LLC

IMPOSITION OF CIVIL FINES

Dear Administrator:

On September 3, 2026, the Department of Social and Health Services (DSHS), Residential Care Services completed a follow-up visit at your facility. This letter constitutes formal notice of civil fines on the license for your assisted living facility, also known as **Overlake Terrace,** located at **2956 152nd Ave NE, Redmond,** by the State of Washington, Department of Social and Health Services. These actions are taken under the authority granted pursuant to Laws of 1998, Chapter 272 and RCW 18.20.190.

The civil fines on the license are based on the following violation of the RCW and/or WAC as described in the attached Statement of Deficiencies (SOD) report dated September 3, 2026**.**

Civil Fines

WAC 388-78A-2466 (1)(a)(b) Background checks—Washington state name and date of birth background check—Valid for two years—National fingerprint background check—Valid indefinitely. **$200.00**

The licensee failed to ensure one staff member had a valid Washington state name and date of birth background check completed every two years. This resulted in the staff member not having a valid background check and placed residents at risk of being cared for by a staff person with a potentially disqualifying background.

This is an uncorrected deficiency previously cited on July 15, 2026, for subsections (1), (a), and (b).

WAC 388-78A-2480 (1) Tuberculosis—Testing—Required. **$200.00**

The licensee failed to ensure two staff members completed tuberculosis (TB) testing within three days of hire. This failure placed residents at risk of exposure to a communicable disease.

This is an uncorrected deficiency previously cited on July 15, 2026, for subsection (1).

WAC 388-112A-0495 (4) What are the specialty training and supervision requirements for long-term care workers in adult family homes, assisted living facilities, and enhanced services facilities? **$400.00**
WAC 388-112A-0611 (1)(a)(iii) Who in an assisted living facility is required to complete continuing education training each year, how many hours of continuing education are required, and when must they be completed?
WAC 388-112A-0720 (2)(a) What are the CPR and first-aid training requirements?
WAC 388-78A-2474 (2)(c)(d)(e)(3) Training and home care aide certification requirements.

The licensee failed to ensure two staff members completed training requirements within the required timeframes. This failure resulted in one staff member not completing facility orientation and dementia and mental health specialty training, and another staff member not completing facility orientation and first aid training. These failures caused residents to receive care from staff that did not have the necessary training related to their job duties.

This is an uncorrected deficiency previously cited on July 15, 2026, for subsections (2), (c), (d) and (3).

NOTE: These are the violations, which resulted in the fines; see the attached Statement of Deficiencies for any additional violations.

NOTICE: State and federal law provide protections to defendants who are in military service, and to their dependents. Dependents of a service member are the service member's spouse, the service member's minor child, or and individual for whom the service member provided more than one-half of the individual's support for one hundred eight days immediately preceding an application for relief.

One protection provided is the protection against the entry of a default judgment in certain circumstances. This notice pertains only to a defendant who is a dependent of a member of the National Guard or a military reserve component under a call to active service, or a National Guard member under a call to service authorized by the governor of the state of Washington, for a period of more than thirty consecutive days. Other defendants in military service also have protections against default judgments not covered by this notice. If you are the dependent of a member of the national guard or a military reserve component under a call to active service, or a national guard member under a call to service authorized by the governor of the state of Washington, for a period of more than thirty consecutive days, you should notify the Department in writing of your status as such within twenty days of the receipt of this notice. If you fail to do so, then a court or an administrative tribunal may presume that you are not a dependent of an active duty member of the national guard or reserves, or a national guard member under a call to service authorized by the governor of the state of Washington, and proceed with the entry of an order of default and/or a default judgment without further proof of your status. Your response to the Department about your status does not constitute an appearance for jurisdictional purposes in any pending litigation nor a waiver of your rights.

If you have any questions, please contact Jim Sherman, Field Manager, at (253) 234-6020.

Sincerely,

Matt Hauser
