IMPOSITION OF CIVIL FINES

Dear Administrator:

On July 10, 2026, the Department of Social and Health Services (DSHS), Residential Care Services completed a follow-up visit at your facility. This letter constitutes formal notice of civil fines on the license for your assisted living facility, also known as **Maple Glen Assisted Living,** located at **1700 N 13th Loop Rd, Shelton,** by the State of Washington, Department of Social and Health Services. These actions are taken under the authority granted pursuant to Laws of 1998, Chapter 272 and RCW 18.20.190.

The civil fines on the license are based on the following violation of the RCW and/or WAC as described in the attached Statement of Deficiencies (SOD) report dated July 10, 2026**.**

Civil Fines

WAC 388-78A-2130 (2) Service agreement planning. **$300.00**

The licensee failed to complete the resident service plan report (facility's version of the negotiated service agreement) within 30 days following admission to the facility for one new resident. This placed the resident at risk for unmet care needs and decreased quality of life.

This is an uncorrected deficiency previously cited on May 11, 2026.

WAC 388-78A-2484 (1)(2) Tuberculosis—Two step skin testing. **$300.00**

The licensee failed to ensure that one new staff member was screened and administered testing for Tuberculosis (infectious bacterial disease of the lungs) within the required time frames. This failure placed all residents at risk for exposure to Tuberculosis (TB).

This is an uncorrected deficiency previously cited on May 11, 2026.

NOTE: These are the violations, which resulted in the fines; see the attached Statement of Deficiencies for any additional violations.

Attestation (Plan of Correction):

Return the enclosed SOD within 10 calendar days with the following:

- The date you have or will have each deficiency corrected;
- A signature and date attesting that you are taking actions to correct and maintain correction for each cited deficiency.

NOTICE: State and federal law provide protections to defendants who are in military service, and to their dependents. Dependents of a service member are the service member's spouse, the service member's minor child, or and individual for whom the service member provided more than one-half of the individual's support for one hundred eight days immediately preceding an application for relief.

One protection provided is the protection against the entry of a default judgment in certain circumstances. This notice pertains only to a defendant who is a dependent of a member of the National Guard or a military reserve component under a call to active service, or a National Guard member under a call to service authorized by the governor of the state of Washington, for a period of more than thirty consecutive days. Other defendants in military service also have protections against default judgments not covered by this notice. If you are the dependent of a member of the national guard or a military reserve component under a call to active service, or a national guard member under a call to service authorized by the governor of the state of Washington, for a period of more than thirty consecutive days, you should notify the Department in writing of your status as such within twenty days of the receipt of this notice. If you fail to do so, then a court or an administrative tribunal may presume that you are not a dependent of an active duty member of the national guard or reserves, or a national guard member under a call to service authorized by the governor of the state of Washington, and proceed with the entry of an order of default and/or a default judgment without further proof of your status. Your response to the Department about your status does not constitute an appearance for jurisdictional purposes in any pending litigation nor a waiver of your rights.

If you have any questions, please contact Cory Cisneros, Field Manager, at (253) 254-3190.
