IMPOSITION OF CIVIL FINES

Dear Administrator:

On September 15, 2026, the Department of Social and Health Services (DSHS), Residential Care Services completed a complaint investigation at your facility. This letter constitutes formal notice of civil fines on the license for your assisted living facility, also known as **East Wenatchee Senior Living,** located at **589 HIGHLINE DR, EAST WENATCHEE,** by the State of Washington, Department of Social and Health Services. These actions are taken under the authority granted pursuant to Laws of 1998, Chapter 272 and RCW 18.20.190.

The civil fines on the license are based on the following violation of the RCW and/or WAC as described in the attached Statement of Deficiencies (SOD) report dated September 15, 2026**.**

Civil Fines

WAC 388-78A-2350(1)(7)(a)(b) Coordination of health care services. $500.00

The facility failed to incorporate and respond to reported changes related to skin concerns and failed to integrate the changes into the Negotiated Service Agreement (NSA) for one resident. This failure contributed to multiple preventable wounds for one resident and contributed to staff not having clear and consistent care deliveries for one resident.

RCW 70.129.140 § 1 Quality of life — Rights. **$500.00**
WAC 388-78A-2660(1)(7) Resident Rights.

The facility failed to ensure a resident received consistent, timely, and preventative care and services related to skin and wound management for one resident. This failure contributed to neglect, worsening skin wounds, not being cared for in a dignified manner and a decreased quality of life for one resident.

NOTE: These are the violations, which resulted in the fines; see the attached Statement of Deficiencies for any additional violations.

NOTICE: State and federal law provide protections to defendants who are in military service, and to their dependents. Dependents of a service member are the service member's spouse, the service member's minor child, or and individual for whom the service member provided more than one-half of the individual's support for one hundred eight days immediately preceding an application for relief.

One protection provided is the protection against the entry of a default judgment in certain circumstances. This notice pertains only to a defendant who is a dependent of a member of the National Guard or a military reserve component under a call to active service, or a National Guard member under a call to service authorized by the governor of the state of Washington, for a period of more than thirty consecutive days. Other defendants in military service also have protections against default judgments not covered by this notice. If you are the dependent of a member of the national guard or a military reserve component under a call to active service, or a national guard member under a call to service authorized by the governor of the state of Washington, for a period of more than thirty consecutive days, you should notify the Department in writing of your status as such within twenty days of the receipt of this notice. If you fail to do so, then a court or an administrative tribunal may presume that you are not a dependent of an active duty member of the national guard or reserves, or a national guard member under a call to service authorized by the governor of the state of Washington, and proceed with the entry of an order of default and/or a default judgment without further proof of your status. Your response to the Department about your status does not constitute an appearance for jurisdictional purposes in any pending litigation nor a waiver of your rights.

If you have any questions, please contact Laura Williams-Davis, Field Manager, at 509-208-5231.
